PROCEEDINGS OF THE 121ST ANNUAL CONVENTION OF THE EPISCOPAL DIOCESE OF DALLAS

The Rt. Rev. Dr. George R. Sumner, Bishop of Dallas, served as Chair of the Convention and called the convention to order.

Bishop Sumner welcomed the attendees to the 121st Annual Convention of the Diocese of Dallas. He called attention to the Youth Commission volunteers who served as Pages during the convention. He thanked them for their service.

The Chair announced that Iglesia Episcopal de la Santa Natividad had been approved as a new mission of the diocese. The Chair asked that The Rev. Noe Mendez, vicar, and a delegation from the mission come forward, and they received a standing ovation as a welcome. They shared traditional music with the convention, and Fr. Mendez greeted the gathering.

The Chair then recognized the Daughters of the King who prayed for the convention throughout the day.

The Chair called on Mr. Robby Gerber, Chair of the Credentials Committee, to come to the dais for the purpose of giving a report on credentials.

Mr. Gerber gave the Credentials Committee's Report:

<u>Clerical Order</u>	<u>Lay Order</u>
189 Canonically Resident	63 Parishes and Missions in the Diocese
63 Required for a Quorum	21 Required for a Quorum
127 Registered to Vote	182 Lay Delegates representing 61 Parishes and Missions registered

The report was adopted by voice vote, and the Chair declared a quorum present.

The Bishop recognized The Rev. Keith Turbeville, Rector of Holy Trinity by the Lake, Heath, and Chair of the Committee on Dispatch of Business, who presented the *Rules of Procedure for the Annual Convention* of the Diocese of Dallas as distributed. He referred delegates to the entire list of rules beginning on page 10 of the Convention Booklet.

The Rev. Turbeville highlighted a few of the more pertinent rules including the proper way to address the Bishop, the request to turn off or mute all cell phones, and a description of microphone usage during debate. He then moved that the Rules be adopted by the convention, and the Chair asked delegates to stand to show approval. The motion was approved with well more than two-thirds of delegates standing, and the rules were adopted as follows.

RULES OF PROCEDURE FOR THE ANNUAL CONVENTION

Presiding Officer

1. The Bishop or such other person as provided in the Constitution and Canons of the Diocese shall serve as presiding officer. The presiding officer may call to the chair any qualified person to relieve him temporarily. The presiding officer shall have full power and authority to take such action (consistent with the Constitution and Canons) as he deems necessary to expedite the orderly disposition of the business of the Convention.
2. After the Convention is called to order by the presiding officer, an opening prayer shall be offered by the presiding officer or someone designated by him.
3. The presiding officer shall have the authority to appoint a parliamentarian of his own choice to advise him on parliamentary questions arising during the Convention.

4. Any person addressing the chair or desiring recognition of the chair while the Convention is in session shall address the chair as “Right Reverend Sir” if the Bishop is in the chair. If some other person is in the chair, he shall be addressed as “Mister/Madam President.”

Committees

5. In addition to the Nominating Committee provided for elsewhere in these Rules, the Ecclesiastical Authority, within a reasonable length of time before the convening of the Annual Convention, may appoint from among the officers and staff of the Diocese, the delegates of the Convention and such other confirmed persons in good standing as the Ecclesiastical Authority may designate, the following committees:

- Arrangements
- Credentials
- Dispatch of Business
- Constitution and Canons
- Elections

Each committee shall consist of a chair and such other members as the Ecclesiastical Authority may determine. Each committee shall perform such duties as may be deemed necessary or advisable to facilitate the business of the Convention and any specific duties assigned to such committee by the presiding officer or under the Constitution and Canons or these Rules. Members of these committees shall continue in office until their respective successors are appointed.

Order of Business

6. The order of business to be presented to the Convention for adoption shall be established by the presiding officer in accordance with the Constitution and Canons.

7. Any item of business of the Convention may be set as a special order of business or taken up out of its regular order at any time by a two-thirds vote of the delegates. Subject to the foregoing, the presiding officer shall have the authority, within his discretion, to deviate from the order of business adopted, as the exigencies of the occasion may require.

8. After being organized and ready to proceed to business, the first order of business shall be the election of a Secretary and one or more Assistant Secretaries, if needed.

9. All Resolutions of Substance (thus exempting Resolutions of Courtesy) shall be submitted to the Secretary of Convention no later than 11:00 in the morning of the first regular business day. Such resolutions shall be submitted in writing (a) with enough printed copies for distribution to all voting delegates and (b) in electronic form, on a portable memory device. If the resolutions mention outside data, resolutions, etc., copies of such material shall be made available to those requesting same. Such resolutions shall be referred by the presiding officer to the Committee on Dispatch of Business. The Committee shall give due and timely consideration to such resolutions and reports and, with reasonable dispatch, make its report thereon back to the Convention with its recommendation for final disposition on any such resolution or report.

Conduct of Business

10. A delegate desiring recognition of the Chair shall give his/her name and the name of the church he/she represents.

11. A delegate may use the microphone on the stage of the Convention only with the permission of the presiding officer.

12. A delegate making a report or debating shall go to the designated microphone. At the discretion of the presiding officer, microphones may be designated “pro” and “con” to expedite debate. A third microphone may be utilized for procedural motions and questions.

13. To expedite the business of the Convention, debates on any pending resolution or motion shall be limited

to three minutes per speaker, and one person shall not speak more than once on the pending matter until all other persons who so desire have had an opportunity to be heard. No member shall speak more than two times to any one motion. The number of speakers for discussion shall be divided, as near as is practical, equally between the proponents and opponents of the pending subject.

14. A question having been decided shall not be reconsidered at the same Convention without the consent of two-thirds of the members present, nor without a motion for that purpose being made by one of the majority on the prior decision. No question shall be reconsidered more than once.

15. If required by the presiding officer, any motion shall not be considered as before the Convention unless reduced to writing.

16. When any proposed amendment to the Constitution or Canons is before the Convention, amendments thereto may be sent up from the floor if, within the judgment of the presiding officer, such floor amendments are germane to the pending amendments and do not change the purpose of such pending amendments.

17. When consideration of the proposed Diocesan Budget is before the Convention, (a) each amendment thereto must indicate the specific line item(s) being increased and/or decreased, and (b) the aggregate dollar amount of changes proposed must be offsetting.

Reports

18. All reports, which have been printed and distributed in advance to all members of the Convention, shall be presented by title only and not read; however, any person presenting such a report may give a summary of it requiring not more than five minutes delivery.

19. The budget materials prepared for Convention shall include both descriptions of line items and rationale for changes in funding or deletions of line items from the budget of the previous year.

Nominations

20. The Ecclesiastical Authority shall appoint, not less than 60 days in advance of each Annual Convention, a Nominating Committee composed of four clergy and four lay persons resident in the Diocese, which shall report to the Convention nominations for all elective offices (other than those for which the bishop makes the nominations) in accordance with the following provisions:

- (a) Except as to the Office of Secretary and Trustee, University of the South, there shall be nominated not less than two nominees for each office.
- (b) There shall be obtained from each nominee presented his/her personal assurance of his/her willingness and availability to serve, if elected.
- (c) The name of each nominee shall be accompanied by suitable brief biographical data, including a listing of parish, mission, and diocesan offices then and previously held.
- (d) Suggestions as to persons for consideration shall be sought from parishes, missions, and diocesan institutions, and from individuals.
- (e) Further nominations for any office may be made on or before the first regular business day of Convention. All such nominations must be submitted in writing on the prescribed nomination form to the Secretary of the Convention no later than the call to order of the first business session of the Convention; and accompanied by the copies of the biographical information required in sections (b) and (c) above with a sufficient number of nomination forms and biographical sheets for delivery equal to all lay and clerical Convention Delegates; and accompanied by the signatures of the nominator and the nominee. The Secretary of the Convention shall certify that any nominations so received are in good order and satisfy the requirements set forth in sections (b) and (c) above. After the Nominating Committee makes its report for each office to be elected, in succession, the Secretary of the Convention shall announce the names of the additional nominees for the same offices whose names have been placed in nomination according to the provisions of this rule and shall distribute the nomination forms and biographical information on those so certified to all

Convention Delegates. No seconding speeches or endorsements of any candidate shall be allowed. Nominations made according to the provisions of this rule shall be added to the election ballots of delegates according to the direction of the Chair of the Election Committee and thus eligible for election as the vote for each office proceeds. A nominee (or in his absence at the Convention, the Rector of the nominee's Parish) may withdraw his name from consideration at any time.

Voting and Elections

21. When two or more equal positions are voted on simultaneously, a nominee must receive a majority of the total number of legal votes cast for such office. In the event a majority is received by more candidates than there are positions to be filled, those with the highest legal vote totals shall be elected. In determining the total number of legal votes cast for an office, the total number of legal votes cast for such office shall be divided by the number of positions to be filled.
22. In the election of persons wherein a concurring majority of both orders is required, in which only the number of persons required to fill the position or positions under consideration have been nominated, the Bishop, by unanimous consent of the Convention, may declare the candidates elected.
23. The Ecclesiastical Authority shall have the authority to appoint all Board Members, Trustees, and Committee Members, and fill other positions which are not required to be elected or otherwise selected by the Constitution or Canons of the Diocese of Dallas or any other lawful authority.
24. Voting will be conducted in accordance with the following procedures:
 - (a) At the time of registration, the Credentials Committee shall issue to each delegate: (i) a red voting card to each lay delegate and a blue voting card to each member of the clergy and (ii) a red keypad card to each lay delegate and a blue keypad card to each member of the clergy.
 - (b) Lay delegates and members of the clergy shall enter the Convention floor through doors marked "clergy" and "lay," respectively. Upon entrance to the Convention floor for business sessions, each delegate will exchange his keypad card for a voting keypad.
 - (c) If a delegate loses a voting card or keypad card, he must return to the registration desk for replacement.
 - (d) When directed by the presiding officer, a delegate shall vote by either (i) using the keypad or (ii) raising a voting card, as directed by the presiding officer.
 - (e) If deemed appropriate by the presiding officer, the presiding officer shall appoint sufficient number of tellers to count voting cards raised on any vote.
 - (f) In case of a malfunction of electronic voting equipment, the presiding officer shall establish procedures for voting by paper ballot or other means.
 - (g) Elections shall be conducted under the oversight of the Elections Committee and the presiding officer may delegate authority to establish additional voting procedures to such committee.
 - (h) Upon exiting the Convention floor, each delegate will exit only through the designated door and shall exchange his/her keypad for a keypad card.
 - (i) Doors shall be closed during voting and entry to the Convention floor shall be denied until ballots are collected, or, if not a ballot vote, until the results of the vote are announced.

Miscellaneous

25. The presiding officer, or such person as he may designate, shall be in charge of the admission of all media personnel to the Convention floor, and no TV or video cameras shall be permitted on the floor without the prior approval of the presiding officer.
26. No literature shall be distributed at the Convention, on the floor or on the premises, without prior approval of the presiding officer.
27. The audible use of cell phones and other personal accessories shall not be permitted during sessions of the Convention.
28. The proceedings of the Convention shall be tape recorded and permanently filed. The Journal of the Convention shall be reviewed and approved by a committee consisting of the Secretary, the Chancellor and

the Parliamentarian.

29. Any of these rules may be suspended by a two-thirds vote of the delegates. These rules may be amended by a two-thirds vote of the delegates, provided such amendments are not in violation of the Constitution or Canons of the Diocese.

30. The Constitutions and Canons Committee shall be authorized to correct article, canon, and section designations, numbering, grammar, punctuation and cross-references and to make such other technical, typographical and conforming changes that will not change the meaning or intent of an amendment or resolution as may be necessary to reflect the intent of the Convention in approving the amendment or resolution.

31. The Rules of Procedure of the previous meeting of Convention shall be in force until they are amended or repealed.

With the adoption of the three reports (Credentials, Rules of Procedure, and Agenda), the Chair announced that the convention was organized and ready for the transaction of business.

The Chair recognized The Rev. Bob Corley, Chair of the Nominating Committee, who offered the first report of the Nominating Committee with the nomination of Mr. Ronald Brown for the office of Secretary of Convention. The Chair asked if there were nominations from the floor. Seeing none, he asked for a vote. Mr. Brown was elected by voice vote.

* * *

The Chair moved a suspension of rules in order to approve licensed clergy (those who served in churches in this Diocese, but who were not canonically resident) to sit with their congregations' delegations and to allow them to have voice, but no vote. This action required a two-thirds vote. The Chair noted that the ruling applied to:

The Rev. Victor Austin, Incarnation, Dallas, and EDOD; The Rev. Andrea Conklin, Christ Church, Dallas; The Rev. Clayton Elder, St. Philip's, Frisco; The Rev. Mark Given, St. Thomas', Ennis; The Rev. Emily Hylden, St. Augustine's, Oak Cliff; The Rev. George Joseph, St. Andrew's, Famers Branch; The Rev. John Kline, Holy Nativity, Plano; The Rev. Terry Matthews, St. William Laud, Pittsburg; The Rev. Lisa Flores Musser, Saint Michael and All Angels, Dallas; The Rev. Hiltrude Nusser-Telfer, St. Michael and All Angels, Dallas; The Rev. The convention approved the seating of licensed clergy without objection.

The Chair recognized Mr. Ron Brown, Secretary of the Convention. Mr. Brown noted that the minutes of the 120th Annual Diocesan Convention held in 2015 had been previously approved by a committee consisting of Mr. Richard D'Antoni, the previous year's Secretary to Convention, Mr. Tim Mack, the Chancellor, and Ms. Kay Crews, the Parliamentarian, and had been posted on the Diocesan website. The Chair thanked the committee and then asked the convention body if there were any objections to the three-member committee serving as the body that approved of the minutes for the 121st Annual Diocesan Convention held in 2016. Hearing no objection, the committee was approved.

The Chair nominated Mr. David Parsons to be Chancellor of the Diocese. Mr. Parsons was elected.

Mr. Brown explained that a memo had been mailed to each delegate regarding the dissolution of St. Timothy's, Wylie. Address to the 121st Annual Convention The Rt. Rev. Dr. George R. Sumner, Bishop, Diocese of Dallas

In the name of God the Father, Son, and Holy Spirit, Amen.

Why did Africa become Christian? Why in 2016 is there a bishop of a growing diocese in the Serengeti? Why are a lot of those Christians in Africa Anglicans? There are various reasons given, not least the Holy Spirit, but one of the most interesting comes from a Swedish Lutheran historian of mission Bengt Sundkler. Sundkler's theory involved a Zulu word, Mfecane. In Zulu it means 'the great churning'. And that was what happened in the middle of the 19th century, Mfecane, the great churning of peoples, like a huge washing machine on spin cycle: war, famine, disease, the new railroad, Western education, the coming of the Westerner. Everything got churned up, people were dislodged, and they bumped into the wider world. People began looking to find where it was they belonged. And, says Sundkler, at that providential moment came the missionary societies to preach, to make mistakes, to die of malaria, to send a generation of local evangelists out. But it wouldn't be clear until a century later what the tide was that they had unleashed in the midst of the great churning.

By the goodness of God, you and I are here now and do not have to deal, for the most part, with war, or famine, or disease, but I submit to you this thesis this afternoon: we are in the midst of a quieter kind of Mfecane. You and I live in the midst of a quieter churning. You only need to raise your head and notice the series of dramatic changes which you and I are living through. But noticing them is only the first step. We must go on to see and understand the churning, especially when it is perplexing and difficult, to see it as a vocation from God - His hand opening something up for the Gospel. God tilling the soil for the church.

Think with me, for example, of the story of Joseph at the end of the book of Genesis. That story is one, great Mfecane, literally. Joseph and his brothers in the midst of dislocation, hunger, the collision of peoples and cultures in Egypt: and in the midst of all that, God was providing for the preservation of the children of Abraham, Isaac, and Jacob, preparing for Moses, the exodus, the Torah, the promised land, the messiah. But you cannot see that in the middle of the straightened and desperate time. You don't see that yet in the chapters at the end of Genesis. What you do see is Joseph, who grows and is given wisdom to find a path of life, in order to make a way for the people of God in a culture which is new and strange to him. The church, you and I, are called to something similar today in the quiet Mfecane, a similar vocation of Joseph.

To be sure, the faith does not depend on whether the weather is fair or foul - the saving work of Jesus Christ, the reliability of the Holy Scriptures, His presence in the sacraments, the call to spread the word and to serve the least. These remain the same, whatever the weather. But it does matter the atmosphere and the moment into which the Gospel comes. This afternoon, let us reflect on seven features of the great churning in the United States, in Texas, in the year 2016. First of all, you and I live in the fastest growing metroplex of the United States, in the most dynamic economy perhaps in the world. Condos and homes sprout like mushrooms in Frisco and Prosper and Heath. We are living in a unique moment, and it will not last forever. As I travel around this diocese I am reminded of the words of our in-house historian, our Dean, about our roots, about Bishop Garrett with his wagon replete with altar and organ. Parishes representing that work are sitting here this afternoon – he our parent, we the children. Such a moment of the opening of the door for the Gospel is given to you and me in this moment of history. Meanwhile the national church has turned its attention to evangelism, to planting. The commission thinking about this has Mike Michie as the right man to serve and represent us on that work. With the guidance of our own church planting commission, we have been a leader in this work in recent years in the Episcopal Church. My point is that the national church needs us! Reviving our planting initiatives is central to our strategic plan, but equally important is seeing it as something that God is now giving us, a vocation, an opening which he is giving us in the midst of the churning. To this end, we are blessed to have a skilled cadre of planters and rebooters beginning their work at this very moment - Leslie Stewart, Noe Mendez, Andrew Van Kirk, Tony Muñoz, Alfredo Williams – stand up and take a bow.

Though they are pioneer examples for us all, planters and their congregations are not the only ones who are called to be evangelists in the dynamic and fluid moment in which we live – that’s what I heard in today’s sermon. At the heart of the strategic plan about to be offered to this convention is the hope and will that each and every congregation will be renewed in reaching out with the saving Gospel of Jesus Christ to its unique place and circumstance. Our job in the diocesan office is to provide resources, mentors (people like Kevin Martin or Jerry Morriss), so that centers of gravity in the parishes can do this work. The goal of each parish’s call is the empowering of lay men and women to fulfill their callings to live the disciple’s life and to share their faith in the world, in the Judea and Samaria in which they are placed. To this end, we mean to promote an order of catechists, or Christian teachers, and an order of evangelists in every parish if we can. They will be trained, they will have colleagues in other parishes, they will encourage parishioners in their own witness. This will require new steps in training and education, especially through the Stanton Center, which we hope will go cyber more and more in the years to come. These too are avenues for a lay kind of ordination, which St. Paul called ‘the equipping of the people for the work of the ministry of Christ.’ The wider goal that you and I all share is that a younger generation will come to know their inheritance in the faith, to which end we must find a way to tie the word of God to their and our doorposts, to tell it throughout the whole of our lives, as our Convention theme from Deuteronomy commands us.

Perhaps the most pervasive and subtle of the changes in the great churning in Texas in 2016 has to do with the very way that our culture thinks about religion. All churches, evangelical, mainline, they all struggle to retain their youth in the face of powerful secularizing influences in media, technology, and the very way that we think about ourselves. Our denominations command less automatic allegiance from the young. Meanwhile, in recent generations, we have seen fewer and fewer resources for teaching and formation coming out of the National Church, preoccupied with other struggles. Could it be that we have become less clear as a result of what it is we are to teach? None of us knows the eventual upshot of these wider cultural trends. But the calling, in the midst of this moment, to create resources to teach, to catechize, that calling is clear. We mean to assemble in this diocese a team of scholars, young scholars like Jeremy Bergstrom and Jordan Hylden, veterans longer in the tooth like Victor Austin, to create those kind of resources and to enlist parishes in testing them and refining them. I am excited about our partnership with the Living Church, which will be located in Canterbury House, who will also help us with this theological and catechetical work. As a bonus, as we seek to express our faith, we will come to understand it better ourselves. And this teaching work fulfills the imperative of handing on the faith to the new generation which is the word we have this day from Deuteronomy.

But of course, culture is never moving in just one direction at a time. While the prominence of denominations of the mainline like ours are fading, young evangelicals at this very moment are rediscovering the treasures of the Anglican way of being a Christian. They retain their gospel centering even as they appreciate the deep and wide

roots and reach of our tradition. Some of our best clergy and ordinands are walking what Robert Webber of Wheaton called 'the Canterbury Trail.' They are a gift for the up-building not just of this diocese but the church- and they are also a fruit of another side of the great churning. On this score, I am grateful for parishes which have emphasized calling and discernment like the Church of the Incarnation.

Each of us knows well that we live in a time of intense cultural debate within our society, within our global communion, and within this church. The debate about same sex marriage has been a defining and often a divisive one in the past generation. It is also part of the great churning. Some criticize our talking about the issue too little, I have heard, and some criticize us for talking about it too much. This diocese is a minority among the Episcopal dioceses as a communion partner diocese, fully loyal to our Church and yet with a bishop who retains a traditional theological commitment based on the reading of Scripture. What I want to emphasize this afternoon is my deep appreciation of the voices and individuals and parishes of more progressive opinion in this diocese. I want to reiterate what I said at the outset of my episcopate: we are called to charity and dialogue, we are called to pray and serve one another, and in that calling I understand myself to be the bishop of the whole diocese. We are called, says the New Testament, to what they called in Greek 'parrhesia'- a freedom to speak, to question, to disagree, to debate, all under the banner of Christian charity. But this afternoon I want to say something more. I want to say that there is a deeper point to be grasped in the midst of the Mfecane. You and I need to understand what feels like loggerheads and frustration as part of our vocation. God has in mind for us in this moment and situation that. He has given us to each other, though we disagree. I do think that this involves a calling for us conservatives, to offer a witness on behalf of the wider church, and for progressives, to find an avenue for a true liberalism. I know that that, and I, are sometimes frustrating to some, but patience and forbearance are in this day the cross beams of the church. And a sense of being called deliberately by God to be one body with those with whom we strongly disagree is a feature of our shared baptismal life. In all of that I am convinced that we have something to contribute to the larger church.

The churning - if that is the theme, then how could I possibly leave out American Politics 2016! You want churning, I'll give you churning. You all should vote, and I have foresworn saying anything more specific, if for no other reason but to stay on the right side of the Internal Revenue Service! So let us limit ourselves to citing the underlying anxieties in our nation - economic and demographic change in small towns, the dislocation of immigrants and refugees, stresses between segments of our society. In our own modest way, you and I need to be witnesses for the common good in this moment. Gateway of Grace, with the leadership of Mother Samira, has a remarkable ministry to refugees which God has put here. We need to be committed to help rural churches reach out to those who suffer in the midst of great social change. This churning includes, in our own city, the alarming fact that this city has more child poverty, apparently, than any other major city in the United States - a message which Dabney Dwyer has been prophetically reminding us of for years. We are talking and praying about common cause with fellow Christians in south Dallas, which would involve outreach to young people, the impetus for which is the irrepressible Carrie Headington. My hope is that we will forge in our parishes friendships and common prayer, in a common calling as Christians first of all, that will lead to outreach in our city. My hope is that this will grow from prayer into programmatic collaboration. Finally, my hope is that this will be our modest contribution as a sign of the kind of racial reconciliation that Presiding Bishop Curry is calling for, and which we find, preeminently, first of all, in the cross of Jesus Christ.

Amidst all of this change in our land, in our hemisphere, we want to emphasize being one body with our fellow Episcopalians and our fellow Anglicans. I am looking forward to a growing partnership with Michael Smith, the Bishop of the Diocese of North Dakota, which is a place of enormous social and economic need. And in a similar vein, our alternative giving this coming year will be given to Episcopalians in the Diocese of Colombia who witness and minister in difficult circumstances amidst the scourge of the drug trade. Amidst the churning, you and I are one body with North Dakota and Colombia in the body, which is the church, the body of Jesus Christ. Finally, I want to say how impressed I am with our Hispanic clergy who rightly want no longer to be an 'ethnic' ministry but simply a part of this diocese.

Yo doy gracias a Dios por la fe y la perseverencia de nuestros sacerdotales y lideres en nuestras parrochias Hispanicas. Tambien a mi me gustan sus fiestas divertidas y maravillosas. Ellos trabajan mucho y tartan de invitar Christianos nuevos. Nosotros vamos a enseñar y ayudar en este momento importante por ministerio en el

estado de Texas. Nosotros hemos commenced esfuerzo nuevo in Garland y Plano y Mt. Pleasant y oremos Dios bendigales.

What are we called to in the midst of this time of hard and creative churning? We need to plan, to marshal our resources, to use them well, to seek new resources. To this end we have engaged in most of the past year in a strategic planning process. I want to thank in advance Betsy Randall and her team. They have put countless hours and great prayer into this work. They have worked hard to listen to as wide a circle as possible in this diocese and have heard clearly your desire to be included equally and collegially and widely in the diocesan life and planning. That is consistent with their plan which puts the center clearly in parishes. Their plan tracks what I have been saying: planting, Hispanic ministry, supporting young ordinands, finding resources for congregational renewal, catechesis, a growing partnership with sibling churches in Dallas. It tracks these because by means of the churning of the Holy Spirit, these are the things that are opening up to us.

Very well, I am an administrator as well as a bishop. But you know what, planning does not suffice - like the apostles after Christ's ascension, you and I need to wait on the Holy Spirit. So much of what has been accomplished in this diocese was accomplished through the work of a generation of Cursillistas who became lay leaders. That remains crucial and important, and we also need new forms to reach out to new members in the Daughters of the King and Cursillo and the Brotherhood of St. Andrew. These together with other ways will lead to the spiritual renewal which is the real condition and undergirding of the work that we hope to do. And there is no diocesan plan for this, unless it is the fervent efforts of our harvest intercessors praying for you all daily and for this diocese.

We heard two things clearly in our listening process surrounding the Strategic Plan. One is that there is great energy in this diocese for mission and ministry today. That energy is palpable. The other thing is that people want to be included in on the ground level. They don't want a top-down plan; they want to be part and parcel of that planning. And that is as it should be.

The history of mission amidst the Mfecane was in Africa a history of surprise, and what we are entering into, undergirded first of all by prayer, it will have surprises as well, in the light of which we pray, come, Holy Spirit, come.

I am no St. Paul, but I may imitate him at least in this, that his epistles, full of his own plans and theology, always ended up with a list of names of Christians for whom he was grateful in concrete communities of faith. Let me end that way too. I want to thank most sincerely our diocesan staff who have worked very hard for this event and in fact work very hard every week. They are a lot of fun to work with, and I want them to stand up. I am impressed and surprised how much Canon to the Ordinary Michael Gilton has accomplished in a short time. It's remarkable. There is a lot I would like to say about Pam, but I don't want to steal the thunder that is coming. I'll leave that one aside. Ditto the officers of this diocese who with great faithfulness and great labor over many years have contributed so much. Let me single out our retiring chancellor, Tim Mack, who is a man of singular integrity, judgment, and good humor. I'm going to ask him to stand up. At lunch, I asked him if prostrating myself and weeping would do any good about his staying on, but he said not likely. Muchas gracias to Tony Briggie and the convention team. Thank you so much - their usual expert job. I want to give a special thank you to the hard-working, humble, loyal, positive deacons in this diocese who serve faithfully, who are with me Sunday by Sunday, who are often unrecognized but are a source of enormous energy for mission in this place.

This afternoon, I want to start a new tradition. I would like to name people, we are going to name some canons, but I also want to name some lay people who will be honored this Epiphany. The clergy will be canons, but as to the lay people, I want to induct them in Epiphany into the Order of Bishop Garrett, specifically for extraordinary and long-term service for this diocese. They will be collated, or inducted, on January 15 at the Cathedral.

121st Annual Meeting of the Episcopal Diocese of Dallas
November 5, 2016

On the clergy side

- Jerry Hill - a planter and renewer of parishes
- Professors Ephraim Radner and Annette Brownlee of Wycliffe College, who are both theologians and practitioners of ministry, and from whom I plan to get lots of free work.
- Diana Luck who is an exemplar of what it means to be a deacon in the church and in the world

On the lay side

- Dabney Dwyer with a prophetic voice on behalf of missional engagement by us and in this city
- Rebecca Wellborn - tireless servant on behalf of rural parishes in our diocese
- Tony Briggie who makes events like this just happen in the best way
- Tim Mack - a wise, patient, and respected counsel in many things
- Plack Carr who has a great heart for the mission of the church and has built up institutions, hospital, church, school, in our diocese

Last but not least, I want to give a shout out to the clergy of this diocese, whom I have found without any exception to be kind and honest and supportive to me personally in this first year at this job most of all when I have done something knuckleheaded. And in equal measure, I want to thank the spouses of our clergy, whose patience and support make so much of this ministry actually possible.

In the midst of the bewildering and creative churning, the Mfecane, from the mouth of the old patriarch at the end of the book of Genesis, let these words through him from God in the midst of that churning conclude this address in the midst of calling. They are appropriately addressed to the Diocese of Dallas in the year 2016, "Behold, I make you fruitful and multiply you, and I will make of you a multitude of people, and I will give this land to your descendants after you as an everlasting possession." Amen.

- The Right Reverend George R. Sumner, Bishop

At the conclusion of the address, the convention showed its appreciation with extended applause and a standing ovation.

The Chair then called The Rev. Betsy Randall, Epiphany, Richardson, to the dais to present the report from the Strategic Planning Committee. She began by thanking the Bishop, Canon to the Ordinary, diocesan staff, parishioners and clergy, and the members of the committee: Christopher Ayres, Cathleen Dolt, Robert Hulsey, The Rev. Lino Lara, Lee Spence, Dan Weston, and The Rev. Paul Wheatley. She stated that the Strategic Plan was created in response to the feedback heard at the listening sessions and through surveys. It aims to lead to unity between parishes and parishioners and not be a top-down list of goals. The mission statement for the plan is: "We will be equipping one another to reach our communities with the transforming Gospel of Jesus Christ." There are three initiatives in the plan: 1) Encouraging congregations to grow by providing resources to disciple, to strategize, and to collaborate; 2) Develop callings by recruiting, teaching, and developing transformation lay and ordained leadership; 3) Reach out to communities as we proclaim the Good News, plant churches, and serve the suffering. The Bishop then spoke to the fact that the committee heard that people wanted to be involved and encouraged participation. He said the plan is focused on the next generation and is a parish, lay driven structure that focuses on collaboration between churches. The Bishop then closed the presentation with prayer.

The Chair then called on Caleb Fay, Holy Trinity by the Lake, Heath, to present on behalf of the Dallas Diocese Youth Commission. He spoke on the influence of John 3:17 on his life. He described how the DDYC had inspired him to serve others through working at Happening and attending Summer camp and other weekend

events. He then thanked the delegates for their support of the DDYC and the experiences that support allowed to happen. Finally, he presented the Bishop with his own, purple, DDYC shirt.

The Chair announced a video to be shown in appreciation for The Rev. Canon Pam Dunbar and her work with youth in the diocese on the occasion of her retirement. She then came to the dais and received a gift from the Bishop. Ms. Toni Luc-Tayengo, chair of DDYC, shared a few words of her love and gratitude for the work of The Rev. Canon Dunbar who then expressed her thanks for the diocesan support of DDYC.

The Chair called on Mr. Brown to report on nominations and appointments by the Bishop.

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

The Chair called upon the Chancellor of the Diocese, Mr. Tim Mack of St. Matthew's Cathedral who is also Chair of the Committee on Constitution and Canons, to make a report on the proposed amendments to the Constitution and Canons. He referred the delegates to page 86 of the Convention Booklet.

Note: Underlined text represents additions to the present text.

2016 – C01 Proposed Amendment to Article 15 of the Constitution to move oversight of the Fund for the Endowment of the Episcopate to the Board of Trustees of the Corporation of the Episcopal Diocese of Dallas -- (First Reading)

ARTICLE 15
FUND FOR THE ENDOWMENT OF THE EPISCOPATE

There shall be a Fund for the Endowment of the Episcopate which shall be managed and controlled by ~~a Board of Trustees consisting of not less than five and not more than nine Lay Persons of the Church in this Diocese, who shall be nominated by the Bishop and elected by the Convention at the Annual Meeting. They shall hold office for one year or until their successors are elected.~~ the Board of Trustees of the Corporation of the Episcopal Diocese of Dallas.

They shall be entrusted with the investment and management of the said Fund for the Endowment of the Episcopate. Securities purchased by the Trustees in their capacity as such may be registered in the names ~~of such Trustees and their successors in office~~ of the Corporation of the Episcopal Diocese of Dallas. They shall make an annual report of the affairs of the said Fund to the Annual Convention.

After paying the necessary expenses incident to the management of this Fund, such portion of this Fund and the earnings thereof, as determined by the Board of Trustees (not to take more from the principal than seven percent of its value at the beginning of the year), shall be applied annually toward the compensation of the Bishop of this Diocese, and of the Bishop Coadjutor, if there be one, and of the Suffragan Bishops, if there be any, or for other expenses of the Office of the Bishop or general Diocesan purposes.

Rationale: The current selection of trustees who potentially have limited knowledge of Diocesan structures for one year terms is not conducive to good governance of this fund. For many years in the past, the same persons were elected as both Fund trustees and as trustees of the Diocesan Corporation. The Board of Trustees of the Diocesan Corporation is well suited to carry out this additional role.

Proposed by: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C02 Proposed Amendment of Canon 5.2 to Eliminate Obsolete Positions from Membership on Executive Council

Section 5.2 The following officers shall have full membership in the Executive Council for such time as they lawfully hold their Diocesan positions as:

- a) The Bishop
- b) The Bishop Coadjutor, If there be one
- c) The Suffragan Bishop or Bishops, If there be any
- d) The President of the Standing Committee
- e) The Treasurer of the Diocese
- ~~f) The President of the Episcopal Young Churchmen of the Diocese~~
- ~~g) The President of the Episcopal Church Women of the Diocese~~
- ~~h) The President of the Episcopal Church Men of the Diocese, if there be any~~
- i) The Chair of each of the Convocations of the Diocese

There shall be eighteen elected members of the Executive Council, to be chosen at Annual Convention by a concurrent vote of a majority of each order from the following categories:

- 1) Six (6) members of the Clergy, entitled to seats in the Convention
- 2) Twelve (12) Lay persons, who are confirmed communicants in good standing of Parishes and Missions in union with the Convention.

Two (2) members of the Clergy and four (4) Lay persons shall be elected at each Annual Convention for a term of three (3) years. No member who has served three (3) consecutive years shall be eligible for reelection until the lapse of one (1) year after the expiration of his last period of service.

In the event a vacancy occurs among the elective members, the Executive Council shall elect a qualified person for the unexpired term of the place vacated. Any person elected to fill an unexpired term of less than eighteen (18) months is eligible to election for a full term.

Rationale: The positions and/or organizations eliminated as ex officio members of the Executive Council have not existed for many years.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C03 Proposed Amendment to Canon 8.5 to Remove the Treasurer as Chair of the Audit Committee

Section 8.5 The accounts of the Treasurer of the Diocese, to be submitted to any Annual Convention, shall end with December 31st next before the meeting of such Convention. The Diocese shall have an audit committee comprised of one (1) member, designated the Treasurer, as chair, and at least two (2) additional members, all of whom the Convention shall elect annually, on the nomination of the Bishop, and who shall hold office for one (1) year or until a successor is elected. Any vacancies on the committee shall be filled by the Standing Committee. Each member of the committee must be independent. The determination of each member's independence shall be based upon such person being free from any relationship that, in the opinion of the Bishop, would be likely to interfere with his independent judgment as a member of the committee. At least one of the members of the committee must be a Financial Expert. For the purposes of this Canon, a "Financial Expert" means a person (a) who has, through education or relevant experience: (1) an understanding of generally accepted accounting principles and financial statements; (2) the ability to assess the general application of such principles in connection with accounting for estimates, accruals and reserves; (3) experience preparing, auditing, analyzing or evaluating financial statements of generally comparable organizations; (4) an understanding of internal controls and procedures for financial reporting; and (5) an understanding of audit committee functions, or (b) who has such other experience and qualifications that the Bishop determines qualifies the individual as a Financial Expert. The committee's responsibilities shall include engagement of the outside auditors of the Diocese and assisting the Treasurer in maintaining sound financial and internal control policies.

Rationale: Because the Treasurer signs checks for the Diocese, it is not appropriate that he serve as a member of the Audit Committee. All of the members of the Audit Committee should be elected at Convention, which should help ensure their independence.

Proposed by: The Treasurer and the Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C04 Proposed Amendment of Canon 10 to Eliminate Position of Historiographer

CANON 10
REGISTRAR ~~AND HISTORIOGRAPHER~~ OF THE DIOCESE

Section 10.1 There shall be elected by the Convention, on the nomination of the Bishop, a Registrar ~~and a Historiographer~~ of the Diocese, ~~the offices of which may be held by one or by two individuals,~~ who shall hold office for a term of four (4) years or until a successor is elected; but in the event of the vacancy, the next Annual Convention shall elect a Registrar ~~and/or a Historiographer~~ for a full term of four (4) years.

Section 10.2 The Registrar shall keep in a separate book a Register of the Clergy canonically resident in the Diocese, showing the dates of the ordination and reception; also all dismissals, depositions or deaths of the Clergy occurring in the Diocese.

Section 10.3 The Registrar shall also keep a Register of all Parishes and Missions connected with the Diocese, showing their organization, admission, succession of Clergy in charge as far as it can be ascertained, and such other particulars as may be necessary to indicate their status and history.

~~Section 10.4 The Historiographer shall~~

- ~~(a) Receive, file, index and preserve books, papers, journals reports, manuscripts, pamphlets or other documents pertaining to the Church or its history; and shall, from time to time, endeavor to increase such collections;~~
- ~~(b) Encourage the appointment of historiographers in each Parish and Mission, provide historiographers with literature to aid in collecting and preserving the records, papers, books, newspaper stories, and other materials which are related to the life and history of the congregation and encourage the writing of parochial histories;~~
- ~~(c) Report annually to the Convention all official acts and the condition of all materials in the custody of the Historiographer, with suggestions as to arrangement, increase and preservation;~~
- ~~(d) Be empowered under orders from the Ecclesiastical Authority to issue a proper certificate of fact of record in such documents.~~

Rationale: A Historiographer has not been elected in many years. The functions are currently performed by the Registrar and other Diocesan staff. General Convention canons combine this position with the Registrar.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons.

The Very Rev. Dr. Neal Michell, St. Matthew's Cathedral, rose to speak against this amendment saying how vital history and heritage is to a church.

The Rev. Canon Victoria Heard, Redeemer, Irving, rose to speak against the amendment as well and stressed the important for maintaining documentation to preserve the past and plan for the future.

The Amendment failed.

CANON 14

WARDENS AND VESTRY OF PARISHES

Section 14.1 Except as otherwise provided in this Canon, all members of the Vestry shall be elected by ballot at an Annual Parish Meeting by a majority of the votes cast by the qualified voters present; and, except as herein otherwise provided, the term of office shall be for three (3) years succeeding their election.

Section 14.2 If, prior to the expiration of the said three (3) years, the office of any member of the Vestry shall become vacant, such vacancy shall be filled by a majority vote of the remaining members of the Vestry. The term of office of the replacement so elected shall be the unexpired balance of the vacated three (3) year term of office.

Section 14.3 No person having served on a Vestry shall be eligible to serve again until one (1) year after expiration of his period of service, provided, however, that a member who serves a term of less than two (2) years to which he has been elected to fill a vacancy shall be eligible for election to one full term.

Section 14.4 At the first Annual Parish Meeting held in Parishes already organized and at the Annual Parish Meeting held for the purpose of organization in Parishes hereafter to be organized, the qualified voters present shall, by resolution, fix the number which shall constitute the Vestry of that Parish at six (6), nine (9), twelve (12), or fifteen (15). There shall then be elected, by ballot by the qualified voters present, the full number determined upon. The term of office of one-third of the members elected shall be until the first succeeding Annual Parish Meeting, the term of office of another third shall be until the second succeeding Annual Parish Meeting, and the term of office of the remaining third shall be until the third succeeding Annual Parish Meeting. It shall be determined by lot, at the first meeting of the Vestry after said election, as to who shall serve for one (1) year, who for two (2) years, and who for three (3) years.

Section 14.5 At the first meeting of the newly constituted Vestry, ~~following the Parish Meeting,~~ the Rector shall name one of the Vestry to be the Senior Warden, and the Vestry shall elect one (1) of its members Junior Warden, both of whom shall serve for one (1) year. At the same time, the Vestry shall elect a Secretary or Clerk and a Treasurer, but these officers need not be members of the Vestry. If there be no Rector, the Vestry shall elect a member of the Vestry as temporary Senior Warden to hold office until a Rector can make the appointment.

Section 14.6 Any Parish may, at ~~its~~ an Annual Parish Meeting, increase or decrease the number of its Vestry, provided that such change must be so made as to operate equally upon each of the three (3) classes into which the Vestry is to be divided under the foregoing provisions of this Canon and any such change must further be so made as not to nullify or impair the provisions of Sec. 14.3 of this Canon and not in any wise to prevent or impair the rotation in office which it is the object of this Canon to secure.

Section 14.7 If, at any time, in any Parish the Vestry shall present to the Bishop reasons which he may deem good and sufficient for so doing, he may suspend the foregoing provisions concerning rotation and make such modifications thereof as the facts of the case may seem to require.

Section 14.8 In case of the continued absence of the member from regular meetings of the Vestry for a period of three (3) months without valid excuse, that member is subject to removal; and the remaining members of the Vestry may elect another qualified communicant in his stead, who shall serve the remainder of the term of the removed member.

Section 14.9 It shall be the duty of the Wardens to see that the Church building is kept from all secular uses and in good repair; in the absence of the Rector, and according to seniority, to preside at meetings of the Vestry and of the Congregation and, in the absence of the Rector, to keep the Church open for Divine Service at the stated times of worship.

Section 14.10 To be eligible as a member of the Vestry, one must be at least eighteen (18) years of age, a confirmed communicant in good standing of the Church in that Parish, and a financial contributor of record for at least one (1) year before the election takes place.

Section 14.11 It shall be the duty of the Vestry to take charge of the property of the Parish and its endowments; to regulate all its temporal concerns; in accordance with the Constitution and Canons, to elect and call a Rector and to provide for his support; to provide for paying all Canonical Assessments on the Parish; and in general, to act as helpers to the Rector in whatever is appropriate to Lay persons for the furtherance of the Gospel--it being understood always that the spiritual concerns of the Church are under the exclusive direction of the Rector, subject to the Ecclesiastical Authority and Canons of the Diocese.

Section 14.12 Meetings of the Vestry may be called by the Rector (or in his absence by the Senior Warden, or in the absence of both by the Junior Warden) or by members of the Vestry constituting a majority of the membership.

Rationale: Some uncertainty exists as to the meaning of the canonical requirement requiring annual meetings prior to the end of February of each year. Some parishes like to hold vestry elections in the fall so that the new vestry is fully operational at the start of the calendar year. Some parishes also bifurcate the annual meeting agenda by holding vestry elections in the fall and making reports after the end of the year. The revised language clarifies that these practices (as well as holding a single meeting early in the new year) are all permissible.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C06 Proposed Deletion of Canon 15.8 to Eliminate Committee on Status of Parishes and Missions

~~Section 15.8 — There shall be a Committee on the Status of Parishes and Missions consisting of seven (7) members: one Clergy member selected by the Standing Committee, one Lay member selected by the Standing Committee, three Clergy members selected by the Executive Council and two Lay members selected by the Executive Council. The terms of each committee member shall be one year and no member shall serve more than three consecutive full one year terms. The committee shall advise the Convention on applications for Parish status and shall advise the Bishop and Standing Committee on the restoration of a Parish to Mission status.~~

Rationale: Experience over the last few years has demonstrated that this Committee is not needed and its functions are redundant of the roles of the Standing Committee, regarding Parishes, and the Executive Council, with respect to Missions. When advice or assistance is needed, a task force can be formed on an ad hoc basis.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C07 Proposed Amendment to Canon 18 Dealing with Vacant Parishes

CANON 18
VACANT PARISHES

Section 18.1 Upon the organization of a new Parish or in the event of a vacancy in the Rectorship of an existing Parish, Churchwardens shall notify the fact to the Bishop of the Diocese within three (3) days. The Bishop **or his deputy** shall consult with the Wardens of the vacant Parish concerning the continuation of regular services. If the authorities of the Parish shall for thirty (30) days have failed to make provision for such continuation, the Bishop shall then take such measures as he shall deem expedient for the temporary maintenance of Divine Services in the Parish, at the expense of the Parish, until a new Rector is called and takes up his office

Section 18.2 In the case of a vacancy in the Rectorship of a Parish, the Bishop or his deputy ~~may~~**shall** meet with the Vestry of the vacant Parish to discuss the calling process. The Bishop may suggest the names of three (3) or more Priests to fill the vacancy. The Vestry shall, in the calling process, inform the Bishop of other Priests that it would like to consider for the vacant post.

Section 18.3 Following notice that the Bishop has no objection or after the lapse of thirty (30) days with no notice of objection from the Bishop, the Vestry may proceed to the election of a Rector by a two-thirds majority vote, either from the Bishop's suggestions or from the list submitted to the Bishop.

Section 18.4 If the Bishop objects to any Priest nominated by the Vestry, he must do so in writing within thirty (30) days, giving his reasons therefor. Before proceeding to an election, the Vestry shall consider such objection at a meeting duly called and held for that purpose.

Section 18.5 Written notice of an election, signed by the Wardens, shall be sent to the Bishop immediately. If the Bishop shall be satisfied that the person so chosen is a duly qualified Priest of the Church and that he has accepted the office, he shall notify the Secretary of the Diocesan Convention and the Registrar of the Diocese, both of whom shall record it. Such record shall be sufficient evidence of the relation between the new Rector and his Parish.

Section 18.6 Rectors may have a letter of agreement with the Parish setting forth mutual responsibilities, subject to the Bishop's approval.

Rationale: A meeting of the vestry of a vacant Parish with the Bishop or the Canon to the Ordinary is standard procedure that should be made mandatory. Section 18.6 regarding letter of agreements is added to conform with General Convention canons and is the norm in this Diocese.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons.

The Rev. Canon Victoria Heard, Redeemer, Irving, spoke against the amendment stating that this change is redundant to the national canons and may cause confusion.

The Amendment passed.

2016 – C08 Proposed Amendment to Canon 19 to Clarify Dissolution Process

CANON 19
CHANGES OF PARISHES OR MISSIONS

Section 19.1 Whenever a Parish or Mission, by resolution adopted by its Vestry and approved by its Rector or Vicar, shall decide to voluntarily dissolve, they shall deliver written notice of such decision to the Bishop. If such dissolution is accepted by the Bishop, it shall be dissolved. Notice of such dissolution shall be made in writing and filed with the Secretary of Convention. The dissolution of such Parish or Mission shall be reported to the next Convention.

Section 19.2 Whenever it shall appear to the Bishop that conditions render it advisable to dissolve a Parish or Mission, he shall submit the matter, in writing, to the Standing Committee in the case of a Parish, and to the Executive Council in the case of a Mission. The appropriate body will give notice to the affected Parish or Mission of the meeting at which the matter will be considered and afford interested persons an opportunity to be heard. In either case the Standing Committee or the Executive Council shall consider the matter at two (2) consecutive regular meetings. The recommendation of If dissolution is approved by a majority of the appropriate body's members, notice of such dissolution shall be made in writing and filed with the Secretary of Convention at least thirty (30) days in advance of Convention for distribution to the canonically resident Clergy and Delegates at least ten (10) days prior to Convention. In order to declare the Parish or Mission dissolved, a vote by orders shall be required; and if a two thirds vote be in favor of declaring the said Parish or Mission extinct, it shall be dissolved. The dissolution of such Parish or Mission shall be presented at the next Convention for ratification by a majority vote.

Section 19.3 The property rights of every kind and character of a dissolved Parish or Mission shall vest in the Corporation of the Episcopal Diocese of Dallas. No disposal thereof may be made without the consent of the Standing Committee.

Section 19.4 No Parish or Mission shall be relocated within the Diocese of Dallas without the approval and consent of the Bishop and the Standing Committee.

Section 19.5 The Bishop may, with the consent of ~~both the Committee on Status of Parishes and Missions and the Standing Committee~~, restore a Parish to Mission status under one or more of the following circumstances:

- (a) A Parish has applied to the Diocese for a grant to enable it to meet its operating budget and maintain its Rector for two or more consecutive years;
- (b) A Parish can no longer provide for the full-time support of a Rector;
- (c) A Parish shall have failed for two or more consecutive years to elect a Vestry or to send a Lay Delegate to the Annual Convention;
- (d) A Parish fails to pay for two or more consecutive years its Full Assessment;
- (e) A Parish fails to complete and provide to the Diocese annual audits of all accounts as directed by Canon 29 for two or more consecutive years; ~~or~~
- (f) A Parish fails to complete and provide to the Diocese the parochial report as directed by Canon 28 for two or more consecutive years; or
- (g) A Parish, by resolution adopted by its Vestry and approved by its Rector, shall decide to voluntarily be restored to Mission status.

Notice of such restoration to Mission status shall be made in writing and filed with the Secretary of Convention. The restoration of such Parish to Mission status shall be reported to the next Convention.

Section 19.6 Any Parish restored to Mission status pursuant to this Canon may, with the approval of its Vicar and by majority vote of its Vestry, appeal such restoration at the next Annual Convention. The restoration to Mission status will remain in effect until such time as the Mission successfully appeals its restoration at the next Annual Convention or is readmitted as a Parish in accordance with Canon 15.6.

Rationale: The process to dissolve a Parish or Mission that has ceased to operate is unduly cumbersome. There is no process for a parish or mission to pursue dissolution or restoration to mission status voluntarily at its own initiation. The requirement that any dissolution be considered at two consecutive meetings of the Standing Committee or Executive Council seems unduly cumbersome and is being eliminated. The vote at convention, which typically occurs long after a Parish or Mission has effectively dissolved, is more properly described as a ratification of the action and seems more appropriate for a simple majority vote rather than a two-thirds concurrent majority vote by orders.

In Section 19.5, the reference to the Committee on Status of Parishes and Missions is being eliminated and provision is made for a voluntary restoration to Mission status.

Presented By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C09 Proposed Amendment of Canon 27 to Have General Convention Deputies Serve as Provincial Synod Delegates

CANON 27

DELEGATES TO THE PROVINCIAL SYNOD

The persons elected as Deputies to General Convention and Alternate Deputies to General Convention, while serving in such capacity, shall also serve as the representatives of this Diocese to the Provincial Synod. ~~Section 27.1 At each Annual Convention next preceeding a stated meeting of the Provincial Synod, four members of the Clergy and four Lay persons shall be elected to represent the Diocese in the Provincial Synod, who shall continue in office until their successors are elected. The Clerical Delegates shall be canonically resident in the Diocese and also entitled to seats in the Diocesan Convention which elects them; and the Lay persons shall be communicants of the Church and residents of the Diocese. The Convention shall also in like manner elect four members of the Clergy and four Lay persons, with the same qualifications as the other Delegates, as Alternate Delegates to act in cases hereafter provided. The names of the Delegates and of the Alternate Delegate shall be entered in the Journal in accordance with the priority of their election and in such order that the one receiving the highest number of votes necessary to an election on any ballot shall be placed first, and so on.~~

~~Section 27.2 Any vacancy occurring among the Delegates or Alternate Delegates, Clerical or Lay, shall be filled by advancing into the list of Delegates, or Alternate Delegates, the name highest on the list of the same order. If any such vacancy cannot be filled in this manner, the Bishop shall designate from among Communicants in good standing in the Diocese so many as may be necessary to insure, as far as practicable, a full representation of the Diocese.~~

Rationale: Dallas is one of the few (if not only) dioceses to have different representatives for Provincial Synod and General Convention. This change was made around 2003. Our deputies to General Convention are at a disadvantage, because attendance at Provincial Synod helps to prepare representatives to operate more effectively at General Convention.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 – C10 Proposed Deletion of Canon 32 (Architectural Commission)

~~CANON 32~~

~~COMMISSION ON CHURCH ARCHITECTURE AND ARTS~~

~~Section 32.1 — There shall be a Commission on Church Architecture and the Allied Arts, which shall consist of the Bishop, the Bishop Coadjutor, if there be any, and Suffragan Bishop (s), if there be any, together with two (2) members of the Clergy and three (3) Lay persons, of whom at least three (3) shall be skilled in Church architecture and ecclesiastical art, to be appointed annually by the Bishop.~~

~~Section 32.2 — The duty of the Commission is to give its counsel on all questions of architecture which may be submitted to it by any Parish or Mission of the Diocese seeking its advice.~~

~~Section 32.3 — No Parish or Mission which receives financial aid from the Diocese shall erect a Church building, Parish House, Rectory, or make changes of importance in existing buildings until the plans for such erection or alteration shall have been approved by the Commission. Any such Parish or Mission which fails to comply with this provision shall render itself liable to the forfeiture of Diocesan aid.~~

Rationale: The Commission on Architecture and Arts has not functioned in some time.

Proposed By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons.

Ms. Emanda Johnson from St. Barnabas, Denton, rose to speak against the amendment noting the important of proper architecture and environment in worship and teaching.

The Amendment passed.

2016 – C11 Proposed Deletion of Canon 34 (Revolving Fund)

~~CANON 34~~

~~DIOCESAN REVOLVING FUND~~

~~There shall be a Revolving Fund administered by the Standing Committee which shall consist of such funds as may now exist and as may be added thereto from time to time for the purpose of grants and loans to Parishes, Missions, and Diocesan Institutions where there is an urgent financial need that cannot be reasonably met from other sources.~~

Rationale: The Standing Committee has been working to divest itself of responsibility for administering the Revolving Fund. The Standing Committee is not in the business of making loans or grants. Emergency loans and grants to Parishes and Missions are better dealt with by the Executive Council and its Finance Committee. The current Standing Committee supports this change.

Submitted By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons.

Mrs. Cathleen Dolt from St. James', Dallas, and member of the Standing Committee approached the procedural microphone to offer an amendment to the resolution to retain Canon 34 but replace Standing Committee with Executive Council. The Chair noted that this is not an amendment but a different resolution. She then spoke against the deletion of the Canon as it was originally presented.

The Very Rev. Dr. Neal Michell, St. Matthew's Cathedral, spoke in favor of the deletion of Canon 34 stating that the Corporation and Executive Council are adequate to complete the task.

The Rev. Perry Mullins, Good Shepherd, Dallas, approached the procedural microphone to ensure that there will still be a fund for parishes needing emergency funds, which was confirmed by the Bishop.

The Amendment passed.

2016 – C12 Proposed Amendment of Canon 36 on Corporations

CANON 36
CORPORATIONS AND OTHER ENTITIES

Section 36.1 Any Parish, Mission or Diocesan Institution which desires to incorporate, or to organize a corporation or other entity to use in connection with the administration of its affairs, may do so upon compliance with the following requirements.

- (a) The ~~Articles of Incorporation~~ Certificate of Formation must expressly provide that such ~~corporation~~ entity is subject to, and its powers and rights shall be exercised in accordance with, the Constitution and Canons of the Episcopal Church in the United States of America and the Constitution and Canons of this Diocese.
- (b) Such ~~entity corporation~~ shall not hold title to real estate acquired for the use of the Church in the Diocese, which title must be vested and dealt with in accordance with the provisions of Article 13 of the Constitution of the Diocese.
- (c) The proposed ~~Articles of Incorporation and Bylaws~~ organizational documents of such ~~entity corporation~~ entity, and any amendments thereto, shall, prior to filing or adoption, be submitted to the Chancellor of the Diocese for his approval as being in conformity with these provisions. A current copy of all organizational documents should be filed with the Diocese.

Section 36.2 Those in charge of the affairs of any ~~entity corporation~~, organized by any Parish, Mission or Diocesan Institution, shall review its ~~Articles of Incorporation and Bylaws~~ organizational documents and bring them into conformity with provisions of this Canon, if inconsistent therewith.

Rationale: Limited liability companies are more common today than corporations, so the wording of this canon is being expanded to include other types of entities and is being updated to current terminology under the Texas Business Organizations Code. Language is also added to ensure that the Diocese has a copy of the current organizational documents on file.

Submitted By: Constitution and Canons Committee

The proposed amendment was recommended by the Committee on the Constitution and Canons. There was no debate, and the amendment passed.

2016 - C13 Proposed Amendment to Canon 12

RESOLVED that Section 12.1 should be amended to read as follows:

Section 12.1 As used in the Diocese, the terms "Holy Matrimony" and "Marriage" shall refer to the exclusive physical and spiritual union of ~~one man and one woman~~ two persons, as permitted by applicable civil law, by mutual consent of the heart, mind and will, and with the intent that it be lifelong.

Rationale: Current Section 12.1 is in conflict with Canon 18, Section 1 of the Constitution and Canons 2015 of the Episcopal Church. As stated in Article 1 of the Constitution of the Episcopal Diocese of Dallas, “The Church in this Diocese accedes to the Constitution and Canons of the Episcopal Church in the United States of America and recognizes the authority of the General Convention of said Church.....” This amendment of Section 12.1 is proposed to bring the canons of the Episcopal Diocese of Dallas into compliance with Canon 18, Section 1 of the Constitution and Canons 2015 of the Episcopal Church.

RESOLVED that Section 12.2 should be amended to read as follows:

Section 12.2 The blessing of sexual relationships between persons ~~of the same sex is~~, which relationship is prohibited by applicable civil law, is prohibited in churches, missions and congregations of this Diocese; and clergy persons resident or licensed in the Diocese are prohibited from performing such blessings in any venue.

Rationale: The amendment to Section 12.2 is to bring the language into compliance with the revised language of the amendment to Section 12.1.

Submitted by: The vestry of The Episcopal Church of St. Thomas the Apostle - Dallas

The proposed amendment was recommended against by the Committee on the Constitution and Canons.

The Rev. Casey Shobe of Transfiguration, Dallas, rose to speak in favor the amendment saying that the current canon contradicts the national canons, is redundant, and is in opposition to the diversity in the diocese.

The Rev. Bill Cavanaugh, Epiphany, Richardson, spoke against the amendment because it is opposition to the policies of the Diocese of Dallas.

Mr. Fred Ellis, a member of the vestry of St Thomas the Apostle, Dallas, spoke in favor of the amendment as the diocesan canons accede to the national canons, and the proposed changes would not change the policies of the diocese as the Bishop would still make the decision.

The Rev. Chris Steele, St. Mary’s, Irving, spoke against the amendment stating that while he supports the ability of two persons to make legal decisions for each other, he believes the Scriptures teach that the sacrament of marriage is between a man and a woman.

The Rev. Phil Snyder, Trinity, Dallas, approached the procedural microphone and moved to end debate. It was seconded, an electronic vote was taken, and the move to end debate did not receive the required two-thirds majority. Debate continued.

The Rev. Michael Mills, Good Shepherd, Dallas, approached the procedural microphone with a question for the Parliamentarian about completely repealing Canon 12. The Chair, Chancellor, and Parliamentarian said that was not possible.

Ms. Brooke Grona-Robb from Transfiguration, Dallas, spoke in favor of the amendment so the diocese will be welcoming to all people and follow the national church.

Mr. Mark Delflache from Trinity, Dallas, spoke against the amendment as the Supreme Court ruling does not mention private institutions.

Mr. Gene Bledsoe, Transfiguration, Dallas, spoke in favor of the amendment because it allows individual churches to minister to all parishioners.

Mr. Dean Stewart, Good Shepherd, Cedar Hill, spoke against the amendment quoting St. Paul's warnings to Timothy about false teaching and need to adhere to the truth.

The Rev. Virginia Holleman, retired priest and communicant at St. Thomas, spoke for the amendment stating that all baptized persons should be able to receive the sacraments of the church.

The Rev. Tim Cherry from Apostles, Coppell, spoke against the amendment with a few observations including his experience in the Diocese of Massachusetts and his belief that the topic needs more thought before such a change is made.

Ms. Adele Ichilian, St. Matthew's Cathedral, spoke in favor of the amendment calling on people to use reason to embrace this change.

The Rev. Matthew Frick, St Matthias, Athens, spoke against the amendment stating that refraining from voting does not represent dissent with the amendment but assent.

The Rev. Joy Daley, rector of St. Thomas, Dallas, spoke for the amendment stating that this is a pastoral issue that results in pain for clergy and parishioners.

The Rev. Matthew Olver, non-parochial, approached the procedural microphone with a question of clarification about the relationship between the proposed change in Canon 12.2 and the bishop's power to allow or deny same-sex blessings. The bishop said it would have no effect.

The Rev. Garrin Dickinson, Holy Nativity, Plano, came to the procedural microphone and called to end debate. The motion was seconded and required a two-thirds majority. The vote was taken and the motion passed. Debate was ended.

A vote was then taken on the amendment, and it failed.

The Chair thanked everyone who took part in the conversation.

* * *

The Chair called upon the Canon to the Ordinary, The Rev. Canon Michael Gilton, to make a report on the 2017 budget.

REPORT FROM THE FINANCE COMMITTEE

The Rev. Canon Michael Gilton spoke on behalf of the Finance Committee about the budget. He stated that there were four key focuses of the budget related to the Strategic Plan: an emphasis on congregation-led ministry, a focus on church planting, a focus on Spanish-speaking ministries, and an emphasis on clergy and theological development.

On the income side, the assessment revenue has increased, and the diocese has received a grant for mission expansion.

On the expense side, The Rev. Canon Gilton noted that the reduction on Line 18 of the grant to St Matthew's Cathedral is due to the Spanish-speaking congregation moving to St Barnabas, Garland. A similar situation occurs with Holy Nativity, Plano, and Santa Natividad, Plano. There will also be two new church plants: St. Andrew's, McKinney satellite location and Resurrection, Plano. Curacy training is a new emphasis, and the money in that line item goes to supplement the cost of their salaries and benefits. The diocese has several new part-time Canons tending to ministries laid out in the strategic plan. The Support for the Broader Episcopal Church will either go to the General Convention, the Diocese of Colombia, or The Diocese of North Dakota.

The Rev. Canon Gilton noted that the Assistant Bishop line item will be to bring in the Bishop of North Dakota to assist with confirmations. Diocesan salaries increase due to the hiring of a new administrative assistant.

The Rev. Canon Michael Gilton moved for the adoption of the budget.

The Chair explained that the budget comes from the Finance Committee who brought it to the Executive Council where it was approved; therefore, it comes to convention for its approval. The Chair further stated that the motion does not need a second, and asked if there was any discussion.

Mr. Dick Kerner from Transfiguration, Dallas, approached the procedural microphone and stated he believed the funding for the Instituto Teologico San Mateo was insufficient and pledged money specifically to increase that line item by \$2,500.

Mother Rebecca Tankersley moved and was seconded by Father Perry Mullins to accept the financial reports as presented for June and July. Discussion followed. Motion passed unanimously.

Mr. Graves reported that at the June Executive Council meeting it was recommended that the request from Cathedral of St. Matthew's to have its diocesan assessment reduced to \$25,000 go back to the Finance Committee and that they come to August 16 meeting with a recommendation. Members attending the July Finance Committee meeting did not change their original recommendation to Executive Council other than to state they would expect the Cathedral to take less of a reduction in 2017 (hoping to have an agreed assessment amount of \$40K) so that the grant would decrease over time.

It was moved and seconded to accept the Finance Committees recommendation that the Cathedral of St. Matthew's request to have its diocesan assessment reduced to \$25,000 be denied and that it be given a grant in the amount of \$62,365 which will be credited to their account to offset assessment payments. The diocesan records would reflect that the \$62,365 would be shown as a grant to support St. Matthew's Cathedral, and St. Matthew's would show it as a grant on their financials from the Diocese. Discussion followed. The motion passed unanimously.

Mr. Graves presented the 2017 Proposed Budget. Canon Gilton reviewed the details of congregational development and church planting in the budget. Discussion followed. Bishop Sumner stated that he will be working with the camp and make them a major focus in an upcoming meeting. Mr. McGannon asked if the camp description could be changed to ministry instead of operations. Bishop Sumner recommended that the 2017 alternative assessment be divided: one-half to 2017 Diocese of North Dakota and one-half to Diocese of Colombia, who has no partner parishes nor parent diocese partnerships. It was moved and seconded to approve the 2017 proposed budget as presented and send to convention. Discussion followed. The motion passed unanimously.

Amendments to the 2016 Budget were presented in order to come to a balanced budget. Mrs. Donna Halstead moved for the approval of the changes to the 2016 Budget, including the motion previously made regarding the assessment for St. Matthew's Cathedral. Motion was seconded. REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

Paul's (Greenville), and Good Shepherd (Terrell). The Rev'd Rebecca Tankersley moved that the report be approved. No second was required as the report had previously been approved by the Finance Committee. Motion carried.

November 5, 2016

The One Hundred Twenty-First Annual Meeting was held at Parish Episcopal School.

December 13, 2016

Mr. Tom Graves, Treasurer, moved that the minutes of the October 11th regular meeting be approved. The Rev'd Bob Corley seconded. Motion carried.

Mr. Graves presented the financial reports for October 2016 and November 2016. Mr. Bill McGannon moved that the reports be approved. No second was required as the report had previously been approved by the Finance Committee. Motion carried.

With respect to the 2017 budget, Mr. Graves moved that the Cathedral be given permission to pay \$35,000 with the remainder of their 2017 assessment (\$77,592) listed under the Ecumenical & Diocesan Commitments section on the line item entitled "Support for St. Matthew's Cathedral." This action would mirror a previous adjustment made to the 2016 budget, but would reflect a \$10,000 increase over the 2016 amount of \$25,000. Mr. McGannon seconded. Discussion followed, including the possibility of establishing a multi-year step-up plan for the Cathedral to obtain the payment of their full assessment. Bishop Sumner and The Rev'd Canon Michael Gilton indicated that an amount would be negotiated annually and brought to the Council for approval. Motion carried.

Four other assessment adjustments were presented. Assessments for three congregations had not previously been included in the 2017 budget that was approved at Diocesan Convention on November 5th. Our Saviour (Dallas) submitted a late 2015 Parochial Report and two new church plants Resurrection (Plano) and Santa Natividad (Plano) are to be started on Year 1 of the Church Plant assessment formula. The amounts to be added to the 2017 budget for these congregations are:

- Our Saviour, Dallas \$2,228
- Resurrection, Plano \$600
- Santa Natividad, Plano \$600

Canon Gilton requested that a reduction to the 2017 assessment be considered for Holy Nativity (Plano). Holy Nativity faces an estimated loss of \$46,000 in operating income due to the removal of the Spanish-speaking congregation in the creation of Santa Natividad. The current 2017 assessment of \$58,593 would be adjusted to \$52,613 (a reduction of \$5,980). Father Corley moved that all four adjustments be accepted as presented. No second was required as the motion had previously been approved by the Finance Committee. Motion carried.

The Rev'd Rebecca Tankersley moved that the 2017 housing allowance resolution for Diocesan clergy staff be accepted (Resolution attached). No second was required as the resolution had previously been approved by the Finance Committee. Motion carried.

OTHER ACTIONS OF EXECUTIVE COUNCIL

January 12, 2016

Bishop Lambert reported that he had toured the disaster area caused by the tornado in Rowlett, Garland and Sunnyvale. The Episcopal Relief and Development has given us a grant for \$6,000.00, and gift cards were purchased and delivered to Tolar Elementary School, Garland. They will distribute to families as they see fit. They have at least 45 families in need. They are needed to get at least two uniforms per child. This will be a long-term recovery.

Bishop Lambert requested that a resolution be made to establish a Disaster Relief Fund so parishes and individuals can send request to the diocese and we can make that fund available to those who need it. That entity can manage funds since they know best what the needs are.

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

Mr. Bill McGannon moved that we establish a Disaster Relief Fund and that it be published in the EDOD weekly so that everyone knows we are collecting funds, and that the Bishop, Treasurer and President Standing Committee be custodian of funds. It was seconded by Mtr. Rebecca Tankersley. Motion passed unanimously.

March 8, 2016

Mr. Graves introduced Scott Chilton to present proposal to improve electric rates. The first contract was signed November 2013 and started May 2014-May 2019 at 5.5¢ (\$0.505)/kwh. There has been an increase in the production of natural gas and prices have come down. In August 2015, Executive Council extended contract for May 2019- January 2021 at the rate of 4.4¢ (\$0.404)/kwh. Last week, natural gas reached a 20-year low and there is an opportunity to further reduce the cost to the diocese if we extend January 2021 to January 2022, which will be a cost savings of approximately \$20,000 diocesan-wide. The motion was made and seconded to approve that the committee solicit bids and enter a contract through January 2022 (an additional 12 months) if a rate of 4.04¢ (\$0.404)/kwh or less could be achieved. The question was asked if there was a penalty for breaking any contract we are already have. Mr. Chilton stated that it would not be financially advantageous to break any contract we have already signed through September 2021. Discussion followed. Fr. Mullins asked that notification be sent to parishes when a contract is extended. The motion was amended to include that letters be mailed to the Rectors and Business Administrators that electric contracts have been extended to improve the current rates. Motion Passed.

The Commission on Parishes and Missions agreed to accept. Discussion followed. The Executive Council must approve two readings for dissolution at two consecutive meetings. The first reading for dissolution of Mission was approved and passed on June 14, 2016. The second reading will be at the August 16, 2016 meeting.

July 2016

Bishop Summer reported that there will be a special evangelism event at General Convention 2018 in Austin, TX. The expense for this event was not included in budget of the General Convention, so funding will need to be raised independently. The Domestic and Foreign Missionary Society (DFMS) has estimated total cost of the event at \$100,000. The Diocese of Texas has pledged \$20,000 and the DFMS, along with the Presiding Bishop, The Most Reverend Michael Curry, have asked several other dioceses to pledge \$5,000 each. Father Morriss moved that \$5,000 from the Reserve for Extraordinary Expenses in the 2016 Diocesan budget be pledged. No second was required as the report had previously been approved by the Finance Committee. Motion carried.

REPORTS OF ORGANIZATIONS AND COMMISSIONS OF THE DIOCESE OF DALLAS

BISHOP'S CAMP AT ST. MATTHEW'S CATHEDRAL 2016

Bishop's Camp, located at the Cathedral of St. Matthew in the Diocese of Dallas, is a Center for Jubilee Ministry in the Episcopal Church. 2016 completed the 22nd year of operation of the camp which served 120 children over a seven-week period. The summer program seeks to maintain literacy and to close the academic gap that many of these students experience with their peers. Bishop's Camp is an important ministry in the life of the cathedral and our community. Our program goals for Bishop's Camp are to strengthen the program's efficacy, produce program outcomes that demonstrate its effectiveness, and track students and their outcomes so that the children and youth of East Dallas leave behind the status of "disadvantaged."

Strategies to improve the program's efficacy were implemented for the summer 2016 session including incorporating Texas Essential Knowledge and Skills. Grade level cross curricular programming has been provided, and classroom size was limited to a maximum of 20 students, led by one qualified teacher and two classroom assistants. Afternoon Christian education was provided in a dedicated curriculum and implemented by a volunteer staff member and Summer in the City participants along with the faculty and volunteers of Bishop's Camp. Services were offered to rising 1st-8th graders. This year the daily schedule was adapted so that more time could be spent in literacy and numeracy learning as well as in Christian education. Program outcomes are documented and data stored so that future comparative data will be available.

Integration of the youth ministries of both Summer in the City and the Incarnation youth reading program that integrates 20 teen readers into the first three grades were added this year. This year parents are also being asked to engage in their children's summer learning process.

We served 120 at-risk students who live in East Dallas. Participants were predominantly low-income Latino students, and all are residents in Dallas County. Additionally, this year we pioneered a mentoring program for the 16 youth (10th through 12th grade counselors) who assist in the delivery of the camps programming. Not only did all of our counselors achieve the requisites for The Presidents Volunteer Award (Gold level) reflecting over 250 hours of volunteer service, but they also participated in a 7-week program that emphasized personal development, peer leadership, and social/emotional skills.

Parishioners volunteer by assisting in reading with children during the camp, by providing clerical support, and by providing assistance during fund raising projects. Additionally, our partnership with St Matthews Cathedral Arts included the support of parishioners who volunteered to teach Art and enrichment seminars.

We also partnered with St. Matthew's Cathedral Arts, Incarnation Youth, Summer in the City and Aberg Center for Literacy and continue to incorporate the expertise of these organizations in their service to East Dallas residents into the daily operations of the camp. Through our joint ventures, we hope to expand our volunteer base throughout the cathedral even more.

CHRISTIAN FORMATION COMMISSION

2016

This Commission actively continues to serve as a resource to all the churches in our diocese by helping them with the religious education of their members in all ages in Christian leadership. It provides training events, resources, programs, and volunteer support that foster the development of Christian Formation on every level in every church. It also sponsors attendance at events and seminars outside of our diocese in order to further expand our shared knowledge, communication and resources in this vital field of ministry. The Deacon Dorothy Michaelson Resource Center, located at the diocesan office, operates as a free lending library by providing almost 2000 media items for parish use, and it has a budget for acquiring more for use by our churches upon request. These items are now fully searchable via an online catalogue, available on our diocesan website. This commission also supports outreach in the form of providing scholarships for several different training venues, as well as curricula and Vacation Bible School materials for small churches.

CHURCH PLANTING COMMISSION

2016

During 2016, nine church plants received financial assistance: Church of the Savior, Allen; St. Timothy's, Wylie; San Francisco de Asis, Dallas; Emmanuel, Dallas; Holy Faith, Dallas; Resurrection, Plano; St. Andrew's multi-site, McKinney; San Marco, Mount Pleasant; Santa Natividad, Plano.

2016's highlights included five new plants, each with its own unique mission. Resurrection, Plano, began its work under the leadership of the Rev. Leslie Stewart. St. Andrew's, McKinney, planted a second campus, "Westridge," led by The Rev. Andrew Van Kirk. With the blessing of St. Matthew's Cathedral's Dean and Vestry, many Spanish speaking members of St. Matthews left to renew and restore St. Barnabas, Garland. This effort is led by The Rev. Antonio Munoz. Also on the Spanish language church plant front in 2016 were two additional starts: The Rev. Noe Mendez leads the new mission of Santa Natividad on the plant of Holy Nativity, Plano and The Rev. Alfredo Williams leads a Spanish language mission station, San Marco, on the plant of St. Mark's, Mount Pleasant.

Unfortunately, as a consequence of many factors, the Vicar and Vestry of St. Timothy's, Wylie, elected to close that mission. We give thanks to God for the saints who labored for three years in Wylie and for the ministry of The Rev. Brendan Kimbrough.

COLLEGE OF DEACONS
2016

The College of Deacons is an essential ministry in the diocese, called to model servant ministry for others, to interpret to the Church the needs, concerns, and hopes of the world. Deacons are called to engage members of the church in the mission of meeting the needs, sharing the concerns and kindling the hopes of others. Deacons live into this call in a wide variety of ways.

Some deacons serve on the bishop's staff, and on diocesan councils and commissions. Some deacons have a major role in Jubilee Ministries in the diocese; others are active in Kairos ministry, serve as hospital chaplains, and serve as deans for summer camp at Camp All Saints. Deacons are participants and leaders in both domestic and world-wide mission efforts, and active in the Dallas community on boards and commissions. Deacons are retreat leaders and community gardeners; deacons are involved in healing ministries like Community of Hope and Stephen Ministry. In their parishes, deacons help organize outreach activities, are leaders in Christian education (Education for Ministry, Christian Formation, Bible Study), and offer pastoral care to the sick and the homebound. Deacons accompany the bishops on visitations to the parishes.

The annual deacons' meeting with the bishop was held at the Diocesan Office on January 9, 2016. Bishop Sumner led a Bible Study on II Corinthians, and then celebrated Eucharist with us. 17 of the 18 currently active deacons were present, as well as 2 retired deacons. Each deacon shared about their ministry, their joys and their challenges.

Deacon Sue Ross represented Dallas at the AED Archdeacons Conference in San Antonio in March. On May 17th, the deacons met at St James, Dallas, with members of the Strategic Planning Committee to give input to the Diocesan Strategic Planning Team. On June 4th, three new deacons were ordained: Adriana Elliott, Debra Vela, and Ginny Kivel.

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

Following the ordination, the College of Deacons met with Bishop Sumner to share about the ministry of deacons and how it benefits and strengthens the church's ministry in our community. Later that same afternoon, Deacon Roger Button led a workshop for the deacons on Mindfulness and Self-Care, much appreciated by all.

Our annual Deacons' Retreat was held August 25-27 at Montserrat Jesuit Retreat House on Lake Lewisville, and was led by Fr. Mike Michie, sharing with us reflections on diaconal ministry. He urged us to live into the call we received, to lead the way in the mission-focused church of today. 18 deacons attended the retreat, including Tracie Middleton, a deacon from Ft Worth.

In September, deacons attended a conference organized by Dabney Dwyer on issues of Senior Hunger in Dallas, hearing very useful presentations by folks from the Dallas Coalition for Hunger Solutions. Many ideas were implemented in local parishes as a result of this conference.

Deacons accompanied Bishop Sumner and Bishop Lambert on 65 visitations to parishes throughout the year.

COMMISSION ON MINISTRY
2016

The Commission on Ministry (COM) fulfills the canonical requirement to advise the Bishop in the implementation of Title III.6 and III.8 of the Canons of The Episcopal Church, in the determination of the present and future needs for ministry, and in the design and oversight of the process for recruitment, discernment, formation, and assessment of persons for ministry.

2016 was another active year for the COM. Many in our Diocese have heard Jesus calling them into Holy Orders. In 2016, the COM did the following: hosted 10 aspirants at its annual discernment retreat, interviewed 6 nominees for postulancy, and interviewed 7 postulants for candidacy. Additionally, the Board of Examining Chaplains, a sub-committee of the COM, examined 5 persons.

I thank the members of COM for their commitment of time, their prayers, and their dependence on our Lord for discernment. The COM is a talented, prayerful, and thoughtful group of people from across our Diocese. It is with great pleasure that I serve as chair to this group under the direction of our bishop.

A detailed timeline was developed to guide the Committee in its work. The Bishop set this one day convention to be held at the Parish Episcopal School, Dallas, TX. The School headmaster, David Monaco graciously offered the use of the facility and staff for the Convention purposes. The date of the Convention was to be November 5, 2016. As in the previous year, the Committee had the responsibility for rental of equipment, audiovisual and catering. Site visits to the School and meetings with various vendors were scheduled throughout the summer. Fr. Bob Corley chaired the Nominating Committee from May to August. Annette Jenkins, Executive Director of One Man's Treasure once again requested permission to exhibit at the Convention and request gently worn coats for men coming out of prison. The service project was new to the Convention in 2013 and has been a great success. It was suggested that it be repeated in the coming years.

The Rev. Paul Wheatley directed worship. The service of Morning Prayer began at 8:30 am. Altar Guild duties were provided by members of the Saint Michael and All Angels Episcopal Church Altar Guild.

Bob McFarland and Don Mills organized the Vendors and Exhibitors. Arrangements were made for the tables that would be in the main hallway of the School. A total of 22 vendors exhibited a variety of items and brisk sales were observed during the breaks.

CURATE DEVELOPMENT

2016

The Curacy Program supports the development of newly ordained clergy, especially in their first two years after ordination. The Diocese provides grants to congregations to enable them to hire a curate as an assistant. In return congregations actively engage in the development and mentoring of those newly ordained.

In addition, the Diocese provides a curate training program for all curates receiving diocesan grants in their first two years of ordained ministry. Curates meet once monthly during the program year with experienced practitioners from around the diocese to grow in practical skills for ministry and reflect theologically about their calling.

The following congregations and curates received grants in 2016:

- St. Andrew's, Farmers Branch, to support the Rev. Alex Graham
- Annunciation, Lewisville, to support the Rev. Leslie Stewart (through 5/31)

DFW CURSILLO MOVEMENT

2016

For 44 years, the DFW Cursillo Movement has successfully raised up Christ-centered leaders. Participants on the weekend learned how to live into their Baptismal covenant and become more effective in bringing Christ to others and others closer to Christ.

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

In 2016, a total of 57 first-time participants and 47 staff members participated in 3 Cursillo Weekends. Looking back at the last decade, 659 first-time participants have made their spiritual pilgrimage on one of 50 Cursillo Weekends offered. These weekends were each staffed by 2-3 clergy and 14-17 lay people, creating numerous opportunities for lay people to disciple other lay people in their walk with Christ.

The real work of Cursillo as a movement takes place in our parishes, where several small groups meet regularly to have spiritual conversations about piety, study, and apostolic action. Gathering statistics at this level is not easy, though in 2016 we undertook a project to update our data collection and management processes to start to bring this picture into clearer focus.

Also in 2016, the Secretariat hosted a leadership conference for the Cursillo Movement in Dallas and Fort Worth. Gathered together with leaders from several parishes, the Secretariat led discussions about the history and philosophy of the Cursillo Movement and best practices for keeping the movement healthy in a parish context. This was also an opportunity to connect with local leadership to learn how we as a Secretariat could better support Cursillo in the local parish.

Looking forward, a team is developing an updated weekend to more effectively engage a new generation of Christian leaders. We are seeking to build upon the many strengths of Cursillo while adapting the weekend to better support the local parish. With your prayers and led by God's grace, we plan to have a beta-test weekend in June of 2018 and a production weekend in October 2018.

DIocese OF DALLAS YOUTH COMMISSION (DDYC)
2016

Diocesan Youth Ministry here is cross-shaped as we endeavor to develop our relationship with Our Lord Jesus Christ and to carry His love into the world.

Our ministry grew again this year as attendance increased at our diocesan events and attendance at Summer Camp. There were many substantial mission trips and retreats this year, and a group of youth and sponsors attended the national EYE youth event. Besides attendance growth at our events, this year also brought an increase in the number of Youth Ministers on staff at churches, as well as an increase in the youth ministry volunteers.

We offer professional-level Youth Ministry training here at our own at the Stanton Center for Ministry Formation in order to better support and equip the men and women who are called to this special field of ministry. Additional resources for continued education and training have been developed and are being made available in hard copy and in on-line forms. Digital and on-line resources are increasing for future ministry impact. Ministry resources to aid and supply congregations that do not have formal youth ministry programs are being considered and developed.

Youth ministry in the Diocese of Dallas has continued in strong fashion this year, but has experiencing transitions since the retirement of the long and influential leadership of Deacon Pam Dunbar. The DDYC leadership and training program is reforming, and each key youth event is being evaluated for future success. Events on the convocational level between common area congregations as well as on the diocesan level are being planned.

The relationship and networking between the adults who minister to youth is a major emphasis of development. There are both informal and scheduled gatherings of youth ministers happening throughout the diocese to develop comradery and build networks of relationship. An annual Youth Minister Retreat is being planned for 2018 to further this goal.

EPISCOPAL FOUNDATION OF DALLAS
2016

Organization

The Episcopal Foundation of Dallas (“the Foundation”) is organized as a Texas non-profit corporation and is qualified as a Section 501(c)(3) exempt organization. The mission of the Foundation is to expand the Kingdom of God through disciplined investing for transformative ministries. The Foundation offers investment management services within the Episcopal Diocese of Dallas and supports transformative ministries through its annual grant program. The Foundation is professionally managed and is governed by its own Board of Trustees, all of whom are committed to good stewardship, prudent investment, and faithful disbursement of the funds entrusted to the Foundation. The Bishop of the Episcopal Diocese of Dallas serves as an ex officio member of the board.

Investment Services

The Foundation has successfully managed the long-term investments of the Episcopal Diocese of Dallas for sixty-seven years. The Foundation’s investment management services are available to any parish, mission, school, or other non-profit Episcopal organization in the Diocese. Combined assets under management currently total \$38 million.

All investment assets are pooled and invested according to the same investment guidelines. This structure creates an opportunity for clients to invest at reduced fees not otherwise available to smaller investors. The portfolio is diversified, both as to fixed income and equity holdings for long-term growth. The Investment and Finance Committee is responsible for supervision of the investment portfolio of the Foundation, subject to the stated Investment Policy Statement. Many financially astute Episcopalians have faithfully and competently managed the Episcopal Foundation of Dallas over the past decades and that tradition continues today. Returns are competitive and fees are low.

Annual Grant Program

In addition to investment management services, the Foundation offers financial assistance through an annual grant program. Since inception, the Foundation has awarded nearly \$3.1 million to the Diocesan community. As it looks to the future, the Foundation is actively seeking transformational programs to make an even greater impact in the Episcopal community. The Foundation is in search of mission-related projects, outreach and other creative programs that truly engage the Episcopal community while simultaneously expanding the Kingdom of God. Please contact us if you are engaging in such a project. Applications and information about how to apply for a grant are available on our website. Applications will be accepted for the 2018 grant program beginning in January.

In June 2017, the Foundation awarded 24 grants totaling \$207,900, supporting a wide variety of ministries and needs throughout the Diocese.

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

If you are interested in joining please contact Carrie Headington. Members do not need to be experts in evangelism - all they need is an interest in evangelism, church growth, and a desire to move their congregations to engage in mission.

9. **Harvest Intercessory Prayer Network** Jesus said in Matthew 37-38, “The harvest is plentiful, but the laborers are few; ask the Lord of the harvest to send out laborers into his harvest.” All mission begins with prayer. This Harvest Intercessory Prayer Network, founded in 2016, is a gathering of intercessors across the diocese who pray for congregations, clergy, programs, worship spaces, members of the congregation and the harvest field (those who do not yet know Christ.) The leaders of the network, Nancy Beth Roberts, Pat Allen and the Harvest Intercessory Prayer Network Team have begun making their way across the entire diocese to equip your parish in how to start intercessory prayer groups and pray for your mission field. This is a response to Jesus’ call to pray for the laborers and those who do not yet know Christ before we set out into the harvest.
10. **Revivals.** The EDOD Evangelism Commission offers revivals for parishes and wider communities. The revival team, will work with your parish for this evangelistic outreach. In 2016, Church of the Good Shepherd, under the leadership of Fr. Marc Dobson and St. Paul’s Greenville held revivals. Please contact Canon Carrie Headington if you are interested in refreshment for your parish and outreach in your community.
11. **ReviveTX.** The Episcopal Diocese of Dallas participated in a 50 day evangelistic outreach across the DFW metroplex with over 350 churches from all denominations. During this time 2500 people went out on the streets each week to public spaces, and to over 650 businesses and schools, and shared the Gospel and prayed with people. There were over 2,500 new commitments to Jesus Christ who have been followed up with one on one discipleship. Over 21,000 people received prayer. EDOD will continue to join REVIVETX monthly in reaching out to DFW.
12. **PROJECT US: UNITE and SERVE.** This is a diocesan initiative aiming to be good news in word and deed. Project US unites parishes across the diocese in partnership with the Greater Dallas Coalition and churches in the Southern sector of DFW to care for and join in solidarity with the poor in our midst. Joint efforts in 2016-17 include pulpit swaps, Dallas Champions Academy for inner city youth, Unity Bible studies and prayer gatherings, and Reconcile Dallas 2017.
13. **Order of Lay Evangelist.** In 2017, the Episcopal Diocese commenced a new order for the lay evangelist. These are followers of Jesus Christ who are called by God and trained (through the Stanton Center School for Ministry) and licensed by the Church for the particular ministry of evangelism.

Parishes throughout the Diocese of Dallas are sharing the Gospel in innovative and life giving ways in their communities. We are here to partner with you and to serve as a resource for your evangelism goals in whatever way.

THE GATHERING
2016

Throughout 2016 the Gathering continued to exercise its mission to build and nurture a loving and compassionate faith community where the housed and unhoused, churched and unchurched gather each week to seek healing, spiritual fulfillment and Christian community, offering and encouraging the worth and dignity of all, and attending to the pastoral and physical needs of displaced members of the Body of Christ. From our very humble beginning in 2012, we have grown to a fuller expression of our faith and mission each year. Over this time to the present, we have partnered with over 33 parishes within the Diocese and utilized over 50 clergy members as celebrants and participants in our mission to the homeless, utilizing over 1,650 parish volunteers giving some 25,000 volunteer hours of their time. In 2016 we served, through our Eucharistic service, over 3,000 communicants and 5,275 meals through our "extended Eucharist" lunches. We provided 125 backpacks, over 1,200 pairs of socks, 85 sleeping bags, and 20 tents along with countless coats, hats, scarves and rain ponchos.

Realizing that funding services including grants have continued to diminish, in 2016 we sought continue our plan to rely less on donated dollars and replace these monies with parish donations of time, talent and treasure to keep our benevolence structure and outreach intact. For example, hygiene packs, formerly purchased by the Gathering, are just one of participating parish projects, thus increasing parish involvement and decreasing strains on the Gathering's bank account, a win-win for all. We continued that plan regarding clothing drives (socks, coats, gloves, hats) along with projects to provide sleeping bags, tents, back packs, etc. We asked the Diocese to continue its 2016 contribution of \$25,000 in 2017, such that our administrative costs could be covered thus freeing up all donated and granted monies to go directly to the benevolence area of our outreach and budget. This request to the Episcopal Diocese of Dallas was submitted in our 2017 budget request and approved at the 2016 Diocesan Convention. This restructuring has been an amazing gift to us in 2016, allowing us to continue our growth and outreach, nurture greater parish and volunteer participation and support, and give ever increasing credence to the Episcopal community of Dallas which is more and more being seen as a true presence within the overall outreach efforts of the faith-based communities of Dallas and North Texas. Our bank balance through July 2016 was approximately \$7,800. Year to date expenses are lower than 2016 due to the parish donor project. This, combined with the Diocesan grant has situated us well for 2017. Budget request for 2018 will decrease to \$19,900 as this structure has set us on a course to be within budget for the year regarding both income and expenses.

In general, the Gathering is healthy and growing. The leadership team continues to be work in progress and ever-growing in experience regarding both policy and action. Though the basic structure of Executive Director and Bookkeeper is working well along with the Bishop's Wardens reporting structure, strategic decisions continue to be made regarding clergy presence on our leadership team. With Deacon Morrill's departure at year's end, as well as the reassignment of Fr. Ruffin we lost two-thirds of our clergy presence. However, Deacon Mark Hall's presence and leadership remains steady, appreciated, and we would hope, a continuing reality. Though the Executive Director will, in 2017, take over a number of Deacon Morrill's tasks, her pastoral care and heart for outreach to the homeless community will be sorely missed and somewhat irreplaceable. This being said, we believe continuing clergy presence within our leadership team is not only

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

necessary for continued pastoral care, but is also necessary if we are to continue our bicameral mirroring of the church in general.

In addition to the leadership team make-up moving forward, we believe that our overall activity for 2017 should concentrate on 1) continued benevolence activity toward our parishioners on levels equal to prior years, 2) continued growth of parish involvement with expansion of new parish partners a priority, and 3) expansion of parish sub-groups participation to include youth groups, young adult groups and Sunday School classes in need of outreach ministry. This will require continued parish outreach visitations by the Executive Director and will allow us to continue present levels of ministry while growing our brand in the Diocese as an outreach ministry in which “all are welcome” to both participate and serve.

Finally, we must continue to reiterate to all involved that the Gathering is not, primarily, a social services organization but, rather, a growing faith community within the Episcopal tradition whose emphasis has, and will continue to be, primarily spiritual in nature and dedicated to pastoral care in the spirit of Matthew 25. This emphasis both now and in the future will continue to guide our decisions, both pastoral and fiscal and will allow us to continue our community growth and maturity into the future. This will necessitate an ever and ongoing relationship between the People of God in the Diocese of Dallas and those whom we serve on the edges of our society. Our witness to Christ’s presence is mutual, for we are all God’s people. This is what the Gathering celebrates each Sunday.

On November 5, 2016, we were received at the Diocesan convention as a Mission. The Iglesia Episcopal de la Santa Natividad, we have the mission to reach more people for Jesus Christ. We wish to express our appreciation to our Bishop for their support to our congregation, and above all, the financial support our Diocese provides for the outreach of our Church into our community.

HISPANIC MINISTRY AT ST. BARNABAS’, GARLAND
2016

2016 was a year of change and hope for the Hispanic / Latino people of St Matthew’s Cathedral. It was a year of talks and

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

decisions to move the Hispanic community to have its own identity and culture in a new or existing building. The changes around the Cathedral, the cost of living, and the space reduced by the different activities of the Church were the reason for determining that the Hispanic community, after 35 years of being part of the Cathedral, would have its own Building for worship.

Thanks to the efforts of Dean Neal Michael and Canon of the Ordinary, Michael Gilton, an arrangement was made to help the community of St. Barnabas + St. Barnabas, so that the Latino/Hispanic Spanish Speakers parishioners of St. Matthew become part of the Church of St. Barnabas + St. Barnabas.

On January 1st, we begin this new adventure to expand the kingdom of God in Garland. Now, in San Barnabas + San Bernabé, we are a community of approximately 350 to 400 people. We have 4 worship services every Sunday; 8 am. 9:15 a.m., 10:45 a.m. and 12:30 p.m. We also have the Holy Bilingual Eucharist for healing on Wednesdays at 7 pm.

In this area of Garland there is plenty of opportunity to grow. The Church had gone through very difficult times and some parishioners had abandoned it, but by the Grace of God they are slowly returning home.

It is very important that the Diocese supports this Mission project in order to raise and install the Kingdom of God among the English-Spanish speaking community.

Two languages, many cultures, one Church, one Family.

2016 fue un año de cambios y de esperanza para el pueblo Hispano/Latino de la Catedral San Mateo. Fue un año de pláticas y de decisiones para mover a la comunidad Hispana a tener su propia identidad y cultura en un nuevo o existente edificio. Los cambios en derredor de la Catedral, el costo de vida, y el espacio reducido por las diferentes actividades propias de la Iglesia, fueron el motivo para determinar que la comunidad Hispana, después de 35 años de ser parte de la Catedral, tendría su propio edificio para la alabanza y culto de la Iglesia Episcopal. Gracias a los esfuerzos del Dean Neal Michael y el Canon del Ordinario, Michael Gilton, se hizo un arreglo para ayudar a la comunidad de San Bernabé + St. Barnabas, para que los feligreses de San Mateo formaran parte de la Iglesia de San Bernabé + St. Barnabas.

El 1 de Enero comenzamos esta nueva aventura para expandir el reino de Dios en Garland. Ahora, en San Barnabas + San Bernabé, somos una comunidad de aproximadamente 350 a 400 personas. Tenemos 4 servicios de adoración cada domingo; 8 am. 9:15 am, 10:45 am y 12:30 pm. También tenemos la Santa eucaristía Bilingüe para sanidad los Miércoles a las 7 pm.

En esta área de Garland hay mucha oportunidad para crecer. La Iglesia había pasado por momentos muy difíciles y algunos feligreses la habían abandonado, pero por la gracia de Dios están regresando poco a poco.

Es muy importante que la Diócesis apoye este proyecto de Misión para poder levantar e instalar el Reino de Dios entre la comunidad de habla Inglesa y latina.

Dos idiomas, muchas culturas, una Iglesia, una Familia.

HISPANIC MINISTRY AT ST. MARY'S EPISCOPAL CHURCH, IRVING
2016

St. Mary's is a community of Episcopal Christians in Irving seeking to proclaim the Reign of God and love and care for all our neighbors. Our ministry is a blessing for the western part of the diocese as we provide a church home for all who seek to encounter the Living God in word and sacrament. We are grateful for the help of the diocese as we seek to develop a sustainable community dedicated to the Great Commission in our part of the mission field.

REPORTS TO THE 122nd ANNUAL MEETING
Saturday, November 4, 2017

At St. Mary's, we have recommitted ourselves to creating a robust ministry program for all parts of the community. Although our English service is small, we are a spirit-filled group that seeks to embrace our multi-cultural ministry context and is eager to find ways to cooperate across cultures in various projects. We continue to see growing families in our Spanish services, and particularly in a developing core youth program. This has been wonderful for the diversity of the parish, and although there are typical tensions when two cultures share the same worship space, both have remained willing to work with the other for the good of the parish.

Mission and Ministry Growth

Building on the strength of our youth catechesis program, we have tried programs to expand the formation offerings for all ages. Our first attempt at an Evening Prayer/Bible Study on Wednesdays was a good idea, but we are regrouping and trying to find a program that will offer an opportunity for deeper commitment. We have also participated in our first mission trip in recent memory. This opportunity was a chance to see ourselves as parts of the wider church and recognize that our mission is outside the walls of the parish. Excitement for this opportunity carried over into 2017 and an increase in interest in serving outside the parish.

We have renewed our emphasis on commitment to the sacraments. Prior to the 2016 Diocesan convention, we held a day of prayer and Benediction to pray for our diocese and for our nation in advance of the election. We have started holding all baptisms during the Sunday services as an emphasis on the sacrament of baptism as entry into the whole church.

We also hope to enrich our commitment to the overall mission of Christ's church by participating in the final formal part of the formation of new clergy by welcoming a curate in 2017.

Administration

St. Mary's continues to struggle with stewardship and self-sufficiency. Our first step has been to make the administration of the parish more transparent. Transparency in the finances and a commitment to a real budget process have been a hard part of bringing ourselves to full accountability for the parish with which God has entrusted us. We completed our first audit since 2012 and, with the help of the diocesan finance committee and the office of the bishop, we are faithfully implementing all recommendations. We are aware of the other commitments of the diocese in growing ministry in other areas, and welcome the gradual reduction of our subsidy over the next few years. Our belief is that as we become more aware and informed of the proper way to run the business of a parish, we will be more intentional and faithful in making ourselves a productive and giving parish in the diocese and outgrowing the need for diocesan support.

HOLY FAITH BHUTANESE MINISTRY
2016

I was assigned to Holy Faith in June 2016. The congregation continues to be a stable and fiscally responsible Mission Station of the Episcopal Diocese of Dallas. In December of 2016, Bishop George Sumner baptized 15 people and confirmed another 15. The members regularly attend service and contribute to the church. Holy Faith paid its Diocesan Assessment in advance of the due date.

The children of Holy Faith are welcome members of the Sunday school of the Episcopal Church of the Transfiguration. They are also cared for in the nursery. In 2016, Transfiguration provided this service gratis but in 2017 Holy Faith will pay a portion of the services the children receive in formation and nursery.

At Christmas, Holy Faith had a large service to which they invited many of their unchurched and/or non-Christian neighbors, providing evangelism to other immigrants. Students invite their friends to Sunday school, and Holy Faith members regularly include new immigrants in the community during Sunday services.

We still have growing edges, primarily in ESL. In all, Holy Faith is a vibrant, enthusiastic Mission Station of the Episcopal Diocese of Dallas.

HOLY FAMILY SCHOOL, MCKINNEY
2016

Holy Family School continues to meet the needs of a diverse community of families in east McKinney. Founded in 1951 by Fr. Jose and Mrs. Maria Vega, HFS's original mission was to make sure that the young children of migrant farm workers were socially, nutritionally, and academically ready for kindergarten. We continue to uphold that mission in 2016, working to ensure that all our children receive the very best in 21st century early childhood education. Our school serves approximately 75 children from birth to age 5 along with a small afterschool program. HFS is currently a partner school with Educational First Steps, a Dallas non-profit organization, dedicated to supporting small independent schools like HFS in their journey toward national early childhood education accreditation. We are called to make certain that all our children have access to the very best in nurturing care and early childhood learning opportunities regardless their socio-economic background. We are thankful for the continuing support of the Episcopal Diocese of Dallas as we strive to fulfill our mission.

INSTITUTO TEOLÓGICO SAN MATEO
2016

My brothers and sisters in Christ, the San Mateo's Institute was closed and no longer works. The lack of cooperation of the Hispanic clergy of the Diocese and the new regulations for ordination to the diaconate, according to the Canon of Vocations, Rev. Canon Jeremy Bergstrom, have given the reason to definitively close this Institute.

The Hispanic community will have to look for other alternatives for its ministerial education if they want the ministry of the Diaconate.

JUBILEE MINISTRIES
2016

Jubilee Ministry, as established by our national General Convention in 1982, is a ministry of “joint discipleship in Christ with poor and oppressed people to meet basic needs to build a just society.” Jubilee Ministry goes beyond this goal, working to change the situations that create those needs. Advocacy on behalf of those with little or no voice is a key. Jubilee Ministry advocates point out the injustice around us, realize that “this is not the kingdom” and work to make things different... work to transform situations, actions, and people to bring the kingdom closer.

We began 2016 with eight active Jubilee Ministries in the Diocese of Dallas: Bishop’s Camp (St Matthew’s), Jubilee Park and Community Center (St Michael and All Angels), Our Saviour Community Garden, Episcopal Church of the Redeemer Partnership in Education, Ascension Outbound, Church of the Epiphany Outreach, The Bright Zone (St. Philip’s Frisco), and Randy Sams’ Outreach Shelter (St. James, Texarkana). Each of these Jubilee Ministries affirm for themselves that the work of social outreach and ministry to and with the poor is a large part of their identity.

One new Jubilee Ministry was designated in our diocese in September 2016: The Hands and Feet Ministry of St. Andrews McKinney. A food ministry on the surface, their BlessMobile is a relational ministry, in which a hot meal and fellowship is provided in the poorest sections of the community, breaking down the ‘us vs. them’ barrier and transforming lives. This ministry enables St. Andrews congregation to be the ‘hands and feet of Jesus’ by loving and serving those in need.

Diocese of Dallas Jubilee Grants were awarded in 2016 as indicated below:

- \$500 to Jubilee Park and Community Center for T-shirts for students and teachers at their academic enrichment Summer camp
- \$575 to Randy Sams’ Outreach Shelter for bus tokens for clients to get to doctors’ appointments
- \$1000 to Brite Zone Ministry to provide new books and also a stipend for a facilitator for Bright Readers’ Summer Fun Club (summer reading camp)
- \$695 to Our Saviour Community Garden to rebuild tool storage shed at garden. Garden provides food for 140 families at Pleasant Grove Food Pantry.
- \$2000 to Bishop’s Camp to support the budget for summer program which serves 120 at-risk students from East Dallas, seeking to send students back to school with academic gains, increased confidence, and positive attitudes toward learning.
- \$230 to Good Shepherd Terrell to assist in the start-up of a new Jubilee Ministry.

The Episcopal Church in 2016 again offered national Program Impact Grants. Bishop’s Camp was the recipient of a \$1500 Program Impact Grant.

RURAL CHURCH DEVELOPMENT
2016

Over a third of the churches in the Diocese of Dallas are located outside the metroplex and are considered "rural." However, for the purposes of the Rural Church Commission that definition is better defined as parishes and missions located in areas of low population density outside the influence of the metroplex. These congregations for the most part are located in the Northeastern and Southern convocations.

The Rural Church Commission was originally created in order to support these congregations and to address the needs that are unique to their ministries. Early on it was recognized that a common need was for a consistent sacramental ministry in each of our churches and a means for improving communications. This has been accomplished in two ways.

The Titus Project

At the direction of Bishop Stanton, the RCC developed a method for recruitment, discernment, formation and education of mature Christian leaders to be raised up and prepared for ordination as part-time priests serving in a rural setting. The first person to have gone through this process has proven very successful helping to grow a small rural church into a growing vibrant congregation. Our next Titus priest should complete his preparation for ordination this coming year.

The Rural Church Gathering

The RCC hosts the annual Rural Church Gathering each year in an attempt to identify and address common needs and concerns. Ideas are shared and topics designed to help "Spread the Gospel" within the various communities are presented. Congregations are encouraged to come and share their success stories and to learn from one another during this time of fellowship as a sense of community is being created and encouraged within the rural church leadership.

together with clergy and lay representatives elected by each diocese and representatives of other University constituencies. The Board of Regents, to which the Board of Trustees delegates some of its responsibilities for governance, is composed of Episcopal bishops, priests, and lay people, and may include a limited number of members of other Christian bodies. The chancellor of the University, elected by the Board of Trustees, is a bishop from one of the 28 owning dioceses.

An Episcopal Center of Learning

The University of the South is an institution of the Episcopal Church dedicated to the pursuit of knowledge, understanding, and wisdom in close community and in full freedom of inquiry, and enlightened by Christian faith in the Anglican tradition, welcoming individuals from all backgrounds, to the end that students be prepared to search for truth, seek justice, preserve liberty under law, and serve God and humanity.

The University was founded by church leaders from the southeastern United States in 1857 and is the only university in the nation that is owned and governed by dioceses of The Episcopal Church, specifically the 28 dioceses that are successors to the original founding dioceses. The historic ownership and governance of the University by these Episcopal dioceses has produced a living synergy of leadership, resource, and mutual support, enriching the Church and advancing the University's role in American higher education.

VOCATIONS
2016

Vocations became a distinct, part-time diocesan ministry late in 2015 under Bishop Lambert. The Director of Vocations became the Canon for Vocations in the Spring of 2016 under Bishop Sumner. The Canon for Vocations reports to the Canon to the Ordinary, and is responsible and accountable for our diocesan ordination process, from recruitment of potential ordained people, to the development of those given postulancy, through the ordination of candidates to the diaconate and priesthood. Working with the Canon to the Ordinary and Bishop, the Canon for Vocations assists in the deployment of ordinands to their first cure.

2016 saw increased pastoral and administration attention for those in the discernment process, close collaboration with the chair of the Commission on Ministry (COM) in maintaining and improving the quality of that body's work, the beginning of recasting and expanding our discernment and formation process according to the bishop's standards and expectations, the reform of our examination process for candidates, and the strengthening of relationships with approved seminaries and seminarians through visits to various campuses. The Canon for Vocations also oversaw the planning and execution of the 2016 Clergy Conference, in addition to other special projects assigned by the bishop.
